STANDING RULES OF THE CONFERENCE

I. CONCERNING THE SECRETARY

1. The Secretary shall edit and publish the Conference Minutes.
2. He shall have such assistants as he may desire, to be appointed by the Conference on his nominations.
3. He shall place in the hands of each district superintendent within ten days after Conference adjourns a statement showing all the apportionments laid by the Conference on the district to be distributed by the district stewards provided the Conference fails to adopt its own method of distributing the apportionments directly to the pastoral charges; in the event the Conference adopts such a method, the Secretary shall then place in the hands of each district superintendent a copy of the apportionments distributed to the several charges within his district.
4. He shall be the custodian of the books and archives of the Conference and shall annually report where they are kept.
5. At the beginning of each annual session, upon the nomination of the Secretary, the Conference shall elect a committee of three to examine the daily journal and correct it and report back to the next meeting of the daily sessions, and the adoption of their report shall be the approval or adoption of the minutes.

II. CONCERNING THE STATISTICAL SECRETARY

1. The Statistical Secretary shall annually collect, or cause to be collected, the statistics of the Conference and record the same in such a manner as the Conference may direct.
2. After the close of the second day of the Conference his books shall be closed unless opened again by order of the Conference to receive a delayed report.
3. He shall employ such help as is necessary to do the work accurately and expeditiously, which shall be paid for by the Secretary out of the apportionments for "Minutes and Incidentals."
4. Fractions shall not be used in making statistical reports.
5. At the earliest possible date the district superintendent shall file with Chairman of the Conference Commission on World Service and Finance, with the Conference Treasurer, and with the Statistical Secretary an accurate statement of the amounts of apportionments accepted by the various Quarterly Conferences within his district. These accepted apportionments shall be recorded against the respective charges by the Statistical Secretary and shall be the official record on which settlements to the Conference Treasurer shall be made by the charges.
6. He shall see that every report made by a charge or a church exactly agrees with the one it made to the Conference Treasurer.

III. CONCERNING THE CONFERENCE TREASURER

1. The Conference Treasurer shall be elected by the Annual Conference at its first session after the adjournment of the General Conference, on nomination of the Conference Commission on World Service and Finance. The Treasurer shall serve for a quadrennium, or until his successor shall be elected and qualified.
2. The Treasurer shall receive, receipt for, and disburse as directed by the Conference all monies collected on apportionments for general work, Conference work, and such other monies as the Conference may direct.
3. The Conference Commission on World Service and Finance shall have full authority and supervision over the Conference Treasurer, and after consultation with the Bishop in Charge, it shall have the power to remove from

office for cause or to fill vacancy ad interim. The Conference Commission on World Service and Finance shall have the books of the Conference Treasurer audited within forty days after the close of the Annual Conference.

4. The Conference Commission on World Service and Finance shall designate depository or depositories for Conference funds.

5. The Conference Treasurer shall make monthly distributions to the treasurers of the several Annual Conference Boards and causes for all Conference work and to the treasurers of the several General Conference Boards and causes for all general work according to the percentage of the apportionments for general and Conference work adopted by the Annual Conference.

6. The Treasurer shall procure from the Statistical Secretary or from the district superintendents a report of the apportionments accepted by the several charges within the Conference and shall settle with those charges by that report. He shall have no power to waive or change this rule.

7. He shall on the 25th day of each month furnish each district superintendent a statement of the amounts of monies received by him for all causes from each pastoral charge within that district, each such statement to include all monies received from the closing of the Annual Conference to date issued, and shall publish these reports in the Florida Christian Advocate.

8. He shall cooperate with the Statistical Secretary in seeing that correct financial reports are made to the Conference.

9. All Special Day funds shall be remitted through the Conference Treasurer.

IV. CONCERNING DISTRICT SUPERINTENDENTS

1. The district superintendents are a standing committee to nominate the boards and committees of the Conference and to nominate persons to fill vacancies thereon.

4. Appointment to the district superintendency shall vacate membership in any board of the Conference or on any standing committee, except trustees, unless the General Conference provides otherwise.

6. Each district superintendent shall, at the earliest possible date, file with the Chairman of the Conference Commission on World Service and Finance, with the Conference Treasurer, and with the Statistical Secretary an accurate statement of the amounts of apportionments accepted by the various Quarterly Conferences within his district.

7. Each district superintendent shall, as early in the year as possible, furnish to the Conference Lay Leader and to the General Secretary of the General Board of Lay Activities the names and addresses of all charge and church lay leaders in his district, same to be determined as per paragraphs 1235, 1239, and 1240.

V. CONCERNING BOARDS, STANDING COMMITTEES AND COMMISSIONS

1. Each board or committee of the Conference shall cause to be printed in the Conference Minutes an exact statement of salaries and expenses paid on account of any person employed by the said board or committee.

2. Each board of the Conference shall make an exact annual report to

the Conference of the monies it has received and what disposition has been made of them.

3. The Conference Commission on World Service and Finance shall contract with the Conference Treasurer, subject to the Conference, for his services and the manner in which he shall manage the funds of the Conference; shall take from him an indemnity bond in such amount as shall cover whatever amount may be deposited in the bank, and shall annually have his books and accounts audited by a certified public accountant, and print the report of the same.

4. The Board of Conference Claimants shall cause to be printed in the Minutes of the Conference the name and postoffice address of each Conference claimant together with the amount paid to him annually.

5. At the beginning of each annual conference session, any vacancy to be filled shall be reported to the Conference and the district superintendents shall nominate to fill the vacancy.

6. That membership (whether ex-officio or otherwise) shall not be held by anybody in more than one of the several organizations of the Conference at the same time, whether that be in a quadrennial board, committee, commission, except trustees.

7. Members of the Conference Commission on World Service and Finance shall not be members in or serve upon any other of the standing organizations of the Conference whether board, committee, commission, or trustee, receiving appropriations from the Conference.

8. District superintendents shall not be members of any quodrennial board, committee, or commission, except trustees.

VI. CONCERNING THE COMMISSION ON WORLD SERVICE AND FINANCE

1. Unless otherwise ordered by the Conference, the Commission on World Service and Finance shall distribute the apportionments to the districts on the same basis as used by the General Conference Commission on World Service and Finance in distributing their apportionments to the several annual conferences, and a ratio thus fixed shall stand through the quadrennium unless the Conference order otherwise. A Conference Commission on World Service and Finance shall furnish each district superintendent a statement of the askings of the charges in his district in keeping with whatever plan is adopted by the Conference.

2. The report of the Commission, concerning the allocation of amounts and percentages to the various Boards and causes contained in the proposed budget for General and Conference work, shall be in the hands of the Conference at least one session before being acted upon, unless the Conference order otherwise.

3. The Commission shall determine annually what amount shall be necessary to print and publish the minutes and shall assess the same upon the Conference along with other assessments.

VII. CONCERNING REPORTS AND RESOLUTIONS

1. All reports and resolutions shall be typed.

REPORT OF THE WESLEY FOUNDATION BUILDING COMMISSION

The Wesley Foundation Building Commission, elected by the adjourned session of the Florida Annual Conference, November 1939, and charged with the responsibility of making and projecting plans for the erection of a Wesley Foundation building at Gainesville, Florida, presents the following report:

1. After careful investigation of the building facilities required for administering to the religious needs of a Methodist student constituency of about 850 at the University of Florida and in consideration of the best interests of Methodism, present and future, at the seat of our state University, we recommend that a campaign be launched for at least \$50,000 for the Wesley Foundation. It is understood that this fund shall be used (1) to erect and furnish a student building (2) to acquire additional property so that the outside corner of our present Wesley Foundation lot may be preserved as a site for a future University church (3) to liquidate our present indebtedness.

2. We recommend, further, that January 15, 1941 to March 1, 1941 shall be set aside for this campaign.

3. We recommend that the Wesley Foundation Building Commission draft the full time services of some well qualified leader of the church for the period of the campaign, including sufficient time for pre-cultivation. It is expected that this shall be done upon consultation with and approval of the Bishop and the Cabinet.

4. We recommend that this conference endorse this program and pledge to it its full cooperation. We are ready to move forward with confidence and courage to do this vital task if this group of ministers and laymen will, in both word and deed, give us united, unstinted and wholehearted support. Let the building needs of our Methodist students at Gainesville be taken care of now in this conference year, 1940-41! Let this be a major task of Florida Methodism in these coming months!

Respectfully submitted,

COMMISSION ON WORLD SERVICE AND FINANCE REPORT NO. 3

1. The Commission on World Service and Finance nominates J. A. Phifer as Conference Treasurer, to become qualified under proper bond and to serve for the quadrennium, or until his successor shall be elected and qualified. We designate the Phifer State Bank of Gainesville, Florida, as the Depository for the Conference funds, to be safeguarded as in previous years.

2. We desire to remind the conference that the apportionment for the Conference Minutes as provided for in the budget is not sufficient to cover the cost of this item and that the Minutes will continue to be sold at twenty-five cents a copy. It will greatly facilitate matters if our pastors will place their orders with the Conference Secretary before conference adjourns, or not later than two weeks following adjournment.

BOARD OF FINANCE

Dear Fathers and Brethren:

Your old Board of Finance wishes to say to you we have endeavored to follow your instructions in all our doings. We are happy to report to you that your support of our Superannuates, widows and orphans has steadily increased in recent years. While we have not cared for these worthy people as we should have done, we are happy to say to you that for the year just closing, they have been paid 100c on the dollar according to your apportionment, except 80% of one month. Since arriving at the seat of the Conference we have received from the old Board at St. Louis, Missouri, a check for \$3,438.97. There remains nothing for this Board to do except to transfer to the new Board our present holdings.

Fraternally yours,

W. K. Piner

Chairman of Board of Finance

REPORT OF THE BOARD OF CONFERENCE CLAIMANTS

June 15, 1940

The Board of Conference Claimants recommends the adoption of the same basis for payments to the Superannuates as heretofore, namely, \$1.00 per month for each year of service, and 75c per month for each year of service for the widows. This 75c is an increase from 70c of the minimum amount

required by the Discipline.

The schedule on this basis has been worked out in accordance with the recommendations of the Distributing Committee, such a schedule being filed herewith in duplicate as a part of this report.

The Board of Conference Claimants concurs in the recommendation of the retiring Board of Finance that the 80% of one month's appropriation due for the conference year just closing, be paid from the funds on hand, and also that the amounts distributed by the Publishing House of the M. E. Church S. be made a part of the amount appropriated for the current year to the individuals receiving it.

On the basis of the foregoing fixed appropriations your Board will require \$44,000 to meet its obligations.

It has also been determined by your statistical secretaries that the gross salaries for the year just closing amounted to \$442,868.00

It is therefore evident that to produce the amount necessary to meet adequately the appropriations on the basis indicated that it will require an apportionment of 8½% of pastors' salaries and it is so recommended, in keeping with the provisions of the new Discipline.

Your Board further recommends and approves the setting up of a fund to be known as a Stabilization and Transition Fund made available from the funds collected by the St. John's River Conference a year in advance of distribution.

We call attention to the fact that the Conference Claimant funds are to be raised by local churches this year on the fixed proportional basis of pastors' salaries and not on the basis of apportionment as heretofore.

If any shrinkage occurs we will not be able to pay our Claimants in full!

Respectfully submitted,

Albert Dale Hagler, Chairman of the Board

BOARD OF MISSIONS AND CHURCH EXTENSION

REPORT NO. 1

We beg to submit herewith financial statement covering the work of your Board of Missions for the year just past.

It is a privilege to announce that the checks for the support of our seventy Conference missionaries have been issued promptly each Quarter. It is also evident from an analysis of the statement attached hereto that the revenues for this Board have shown a slight increase over last year and that our general condition is therefore somewhat improved. Reports from the missionaries on the field prove without exception that they are doing excellent work in these difficult places, winning many for our Lord and His Church.

In all the borders of our great Methodism there is no more heroic and sacrificial group to be found than are these who serve in our Florida Conference in these hard places.

A. FRED TURNER, Pres.

JOHN BRANSCOMB, Sec.

BOARD OF MISSIONS AND CHURCH EXTENSION

REPORT NO. 2

The Board of Missions and Church Extension, having had reports covering the work of this past year, beg to approve the following Conference evangelists for the approaching Conference year: Rev. C. Jones Tyler, Rev. J. M. Watts, Rev. P. J. Pappas, Rev. Will H. McLeod. These brethren have been tireless in their labors and their combined reports show most gratifying results in the number of conversions and admissions to the various Churches of our united Methodism.

We beg further to submit the following report covering the organization of the Board for the new year: President, Rev. A. Fred Turner; vice-president, Rev. K. H. Koestline; secretary-treasurer, Rev. C. H. Summers.

We submit for your approval the name of Rev. John Branscomb as Conference Missionary Secretary.

Since the work formerly handled through the Board of Church Extension has now become a part of the whole task of this enlarged Board, we have elected Rev. Karl H. Koestline, our vice-president, as chairman of that division of the work. Elected with him in the sub-committee of Church Extension are the following: Rev. H. F. Tolle, Rev. J. F. Clark, Mrs. A. T. Pearce, T. L. Green, J. W. Henderson and C. Q. Stewart.

The Florida Conference Fellowship Fund, which came into being at the 1939 session of our Annual Conference, continued to function during the past year as a department of your Board of Missions and Church Extension. This work has made a most heartening beginning, bringing much needed support to many of our poorly paid preachers who would otherwise have suffered for the actual necessities while they go about our common tasks. We beg to submit the following sub-committee from your Board in charge of this Department: Rev. Laurie G. Ray, president; Rev. Jack Anderson, Rev. C. H. Summers, Rev. B. M. Montgomery, Rev. Bruce Gannaway.

REPORT OF THE BOARD OF MISSIONS STANDING COMMITTEE ON MINISTERIAL SUPPORT (FELLOWSHIP FUND)

June 13, 1940

The Standing Committee on Ministerial Support of the Board of Missions begs leave to recommend the following Fellowship Fund Rules and Regulations for the Conference Year 1940-41:

1. It shall be our purpose to assist our pastors to arrive at the following minimum annual income: Effective clerical members and those on trial, married, \$1200; single, \$900. Accepted full-time supply pastors, married, \$1000; single, \$800.

Any pastor whose total annual income, including private family income,

shall exceed the above minimum of his classification, shall not be eligible to receive aid from this Fund.

The maximum amount the Fund shall pay effective clerical members and those on trial is \$300 annually; accepted supply pastors, \$150.

District Superintendents are urged to arrange appointments, so far as possible, that will pay at least the above minimum salaries.

2. All effective clerical members and full-time accepted supply pastors shall be eligible to receive aid from this Fund,, subject to the above conditions, except in such marginal cases where the Bishop and Cabinet otherwise recommend.

3. The Fellowship Fund shall be raised by the voluntary contributions of our pastors and supply pastors.

The percentage scale for contributions shall be determined by the Standing Committee on Ministerial Support immediately after the first quarterly conference, when each District Superintendent shall report the askings of his district to the Standing Committee Chairman. The Committee shall then determine the scale on the basis of the total askings.

The Committee agrees that the payments shall not be higher than 2%, and that a schedule not higher than the below table shall be used:

- ½ of 1% on salaries up to \$1499
- 1% on salaries from \$1500 to \$1999
- 1½% on salaries from \$2000 to \$2999
- 2% on salaries from \$3000 and above

4. The Board of Missions Standing Committee on Ministerial Support shall administer this Fund.

In each district there shall be a Fellowship Fund Committee, composed of the District Superintendent, the District Missionary Secretary, and a Treasurer named by the Standing Committee. Each District Treasurer shall send notices to the Fund subscribers in his district quarterly, and shall remit to C. H. Summers, General Treasurer, quarterly.

Distribution shall be made to approved pastors on or near December 15th, for the first check; with the final amount payable at Annual Conference, or immediately thereafter.

Any necessary expense of administering the Fund, such as postage, stationery, travel, etc., shall be paid by the Fund after being approved by the Standing Committee.

All funds shall be disbursed by checks signed by the Treasurer, and countersigned by the chairman of the Standing Committee.

5. Each District Superintendent shall report to the Standing Committee chairman, immediately following the first quarterly conference, the names of those charges paying sub-minimum salaries, stating in each case to what extent the charge will cooperate in increasing their pastor's salary. We urge that amounts contributed to pastors from the Fund shall be matched by increases from the churches served by these men.

It is further understood that no pastor shall receive aid from this Fund unless he has faithfully carried out the Disciplinary financial plan to the satisfaction of his District Superintendent, who shall report in each case. This report shall, also, contain recommendations from the District Committee as to the amounts the Fund should allocate to each charge.

6. The Fellowship Fund shall send a copy of its itemized receipts and disbursements to each participating member at the end of each year's business, this report to contain the name of each contributor and the amount paid by him. A brief compiled financial report shall appear in the Journal.

7. There shall be no consideration of emergency appeals; all funds shall go to make up deficits in sub-minimum salaries received.

STANDING COMMITTEE: Laurie G. Ray, Allen W. Moore, A. K. Hawkins, H. W. Blackburn, George A. Foster, C. H. Summers.

BOARD OF EDUCATION

REPORT NO. 2

We are glad to report a splendid year of work on the part of all full-time and part-time members of this Board's Staff, and on the part of the 48 volunteer workers who have served as members of the district Staffs. The local churches have been served in many ways; in the areas of need among children, youth and adults, and the students on the Campuses of the several Colleges and Universities of the state have been included in the scope of the Staff's work. There are now in this Conference 108 persons accredited to teach 252 courses in Training Schools, a considerable increase in number over last year.

The Youth programs of the former Methodisms which now constitute the Florida Conference have been combined into one program for the summer of 1940. Prospects are bright for the one Assembly, three Regional Institutes, five Camps and several Caravan programs which have been planned.

Substantial improvements have been made in the physical equipment of Florida Southern College, and the largest number of graduates in the history of the institution is reported.

Wesleyan College faces a new day of growth and service with the complete liquidation of its heavy indebtedness.

We are gratified with the quality of work being done by the Wesley Foundation and the expansion program of the Wesley Foundation Building Commission and we pledge the services of the Staff and members of this Board in the campaign to be launched January 15, 1941.

We recommend the following for appointments:

R. Ira Barnett, Executive Secretary, Board of Education.

M. O. Nelms, Extension Secretary, Board of Education.

A. Ronk Buhrman, Director Wesley Foundation, University of Florida.

MINUTES OF ANNUAL MEETING OF MINISTERS' AID SOCIETY

The annual meeting of the Ministers' Aid Society, St. Johns River Conference, Methodist Episcopal Church, was held in Sanford, Florida, at 2:00 o'clock P. M. on Friday, June 14th, 1940. The Rev. Geo. Farrar, President of the Society, presided at the meeting, and F. W. Rivers, Recording Secretary of the Society, acted as Recording officer.

The following were present at the meeting: D. Stratford Scadeng, D. H. Rutter, Lawrence Radcliffe, Harold R. Barnes, Walter G. Gray, D. J. Cathcart, J. O. Jameson, V. L. Odom, C. W. Marlin, J. H. Elder, L. F. Vanderwater, F. A. Shipley, Albert Dale Hagler, Geo. E. Farrar, F. W. Rivers, and others. L. P. McCord, C. W. White and A. B. Potter, were also present.

After a short prayer by D. Stratford Scadeng, the meeting was called to order by the President.

The minutes of the special meeting held by the Directors on July 5th, 1939, were read and approved.

C. W. Marlin, Harold R. Barnes and F. W. Rivers were re-elected as Directors of the Society to serve for three years, or until the Society ceases to operate.

The following officers were elected to serve for the ensuing year:

President: George E. Farrar

Vice-President: Gaylon L. Howe

Executive Secretary: Lawrence Radcliffe

Recording Secretary: F. W. Rivers

Treasurer: F. W. Rivers

The Treasurer read the statement of receipts and disbursements for the period just closing. This report was ordered to be accepted and spread upon the records. The treasurer read the statement from the Board of Pensions in Chicago, showing funds in Trusts administered for the Society. This

statement was ordered accepted and spread upon these minutes.

Lawrence Radcliffe made a motion that the sum of \$300.00 be transferred to the Board of Conference Claimants of the Florida Conference. \$97.00 of this to be taken from the Endowment Fund and \$203.00 from the Annuity Account.

The officers of the Society stated that they had turned over for the use of Mrs. T. L. Z. Barr, the bungalow owned by the Society at 212 Mulberry Street. It was brought out that Mrs. Barr was the widow of a former Jacksonville preacher, and urgent need of quarters for her was brought to our attention by the officers of the Preachers' Aid Society who requested that the house be made available if possible. The action of the officers in this matter was approved.

The attention of the members was called to the fact that Rev. Alfred Evenden, one of our retired preachers, was giving up his work on account of his health, and was desirous of moving to Jacksonville to live. Owing to the fact that his pension was rather small, it was thought imperative that provision should be made to allocate a house to Rev. Evenden. After some discussion, a motion was made allocating for the use of Rev. Evenden the property owned by the Society at 3021-3023 Phoenix Ave. It was realized that this property is not in a desirable location, but the only property available, and if at a later date a better house could be turned over to Rev. Evenden, he should have the opportunity of changing. Owing to the fact that property is a duplex, 2-family house, Rev. Evenden was given the privilege of renting one apartment and using the income to increase his pension. After some further discussion it was brought out that the property was in need of repair, and to protect the interest of the Society a motion was made authorizing the Treasurer to expend a sum not to exceed \$200.00 in making repairs to the property. These motions were duly seconded and adopted unanimously.

After some discussion the following resolution was offered by D. H. Rutter, who moved its adoption: "BE IT RESOLVED; That the officers of the Society, be and they hereby are, authorized and empowered to make such transfers of properties, funds and securities as will carry out the intent of the General Conference in completing the merger or uniting of our Society with the successor Society or corporation that is authorized by the Florida Conference to succeed this Society; and further to sign such deeds, papers, etc., and to do any and all things necessary to carry this resolution into effect." This resolution was duly seconded and unanimously adopted.

The following resolution was offered by D. H. Rutter who moved its adoption: "BE IT RESOLVED: That The Board of Pensions of the Methodist Church, Incorporated in Illinois, be and it hereby is, authorized and directed to transfer and turn over all funds, securities, etc., to the officers of our Society, or to the successor Society or corporation that is to succeed this Society as authorized by the Florida Conference." This resolution was duly seconded and unanimously adopted.

The President called attention to the fact that he had a check from the Board of Pensions for \$50.00 covering a dividend of the Chartered Fund. After some discussion the Treasurer was ordered to remit the amount of this check to Rev. Alfred Evenden to cover his expenses in moving from Eau Gallie to Jacksonville.

The compensation or salary of the Treasurer was fixed at \$20.00 per month until the affairs of the Society could be fully transferred and turned over.

It was moved and seconded that these minutes be read in the Conference and printed in the Annual Minutes of the Conference.

There being no further business, the meeting adjourned.

THE BOARD OF PENSIONS OF THE METHODIST CHURCH, INCORPORATED IN ILLINOIS:

By HELEN E. MOORE, Assistant Treasurer

Chicago, Illinois

May 15, 1940

REPORT OF THE BOARD OF TRUSTEES OF THE FLORIDA CHILDREN'S HOME

At the beginning of the conference year there were 134 children in the home. During the year 22 children have been admitted and 14 have been dismissed, leaving 142 now in the home. The children have received the best of care. Their health is guarded by Mr. and Mrs. Mullen, with the assistance of doctors and dentists living in nearby towns, to whom we are indebted for the donation of their services. The property of the home is in good repair.

The treasurer's report shows,

Total receipts from all sources -----	\$38,282.20
Total disbursements -----	\$38,254.38
Balance in bank -----	27.82

Notwithstanding the excellent work of Rev. C. W. White, financial secretary, we regret that there are outstanding bills from April amounting to \$430.38 and directed funds used for other purposes amounting to \$587.42, together with the bills for the month of May, which indicates an arrearage of two months in operating expenses.

RECOMMENDATIONS

1—We request the continued observance of Fifth Sundays as Orphanage Days by giving the church school offerings and the loose change offerings of the regular services of the day for the Home; urging wherever possible, an increase of 25% in offerings to cover the above mentioned deficit.

2—We recommend the observance of February 8, 1941 as Work Day and February 9th as Harvest Day for the Children's Home.

3—We recommend that the pastors appoint a person in each church school to represent the Home and that the name and address of the appointee be sent to Dr. George E. Farrar, Melrose, Fla.

4—We recommend the appointment of Rev. W. M. Mullen as superintendent of the home and Dr. George E. Farrar as executive secretary to the board of trustees.

RESOLUTION OF THE TRUSTEES OF THE PREACHERS' RELIEF FUND

The Trustees of the Preachers' Relief Fund of the Florida Conference of the Methodist Episcopal Church, South, a Corporation authorized by the Legislature of the State of Florida, in their meeting held during the session of the Florida Annual Conference of the Methodist Church, at Sanford, Florida, on June 14th, 1940, recognizing the great and urgent need for more and better equipped Parsonages for retired ministers, passed the following resolution;—

Be it resolved by the said Trustees, that they ask the Florida Annual Conference to request the Bishop to appoint an executive Secretary to the Board, whose duties shall be to solicit property and money for the purpose of providing more parsonages for retired ministers, the creation of a larger endowment fund, and such other services as may be required by the Board and this Conference.

REPORT OF COMMISSION ON EVANGELISM

Friends and Brethren:

We believe that the present is a strategic time for the emphasis of the important work of evangelism. We are caught in the midst of a world of broken dreams and frustrated ideals, and are borne down by the weight of our disillusionment. To such a world of baffled minds and lost souls, it is our highest calling to bring the claims and promises of our Lord Jesus Christ.

John Wesley said, "We must first of all be evangelists." "To seek and to save the lost" must ever be the ruling purpose of our Church. That kind of preaching and teaching which confronts the human soul with the call of the living God and strives for a verdict, bringing men, women and children into an experiential knowledge of salvation, must characterize our entire church program.

We are convinced that our evangelistic procedure must include an educational, personal and pulpit emphasis. We offer the following plan of action for our conference—this plan to be presented by the District Superintendent for discussion and adoption by each local Church at the first Quarterly Conference, and reported on at the fourth Quarterly Conference.

I. Pulpit Evangelism: We recommend under this heading:

- 1.—A series of evangelistic services in each local Church, the time to be determined by local conditions.
- 2.—That advantage be taken for evangelistic services and preaching of the seasons of the Christian year, such as Watch Night, the Week of Prayer, Lent, Easter, and Pentecost.
- 3.—That our Sunday to Sunday preaching be characterized by a greater expectancy of securing verdicts and conversions.

II. Educational Evangelism: We recommend:

- 1.—That the pastor and church school superintendent enlist teachers, beginning with the junior department, in work designed to lead all members of their classes to a personal experience of Christ.
- 2.—That classes be held for training of personal workers in the art of soul winning.
- 3.—That Pastor's Classes be held to give candidates for church membership young people and adults as well as children, proper training in the meaning and responsibilities of Church membership.

III. Personal Evangelism: We recommend:

- 1.—That the pastor make his house to house visitation more significantly evangelistic.
- 2.—That properly motivated and trained workers be sent out among the unsaved with the distinct purpose of leading them to commitment to Christ.
- 3.—That a period during the year be given especially to the work of reclaiming for Christ that large number of inactive members in every Church. We suggest that in large numbers of cases this presents not simply the problem of Church loyalty, but the deeper problem of the commitment of the individual again, or perhaps for the first time, to Jesus Christ. We suggest the effectiveness of the Loyalty Month for carrying out this work.
- 4.—That young people who are aggressively spiritual be organized into groups for evangelistic purposes.

We recommend further that in each District there be a District Committee on Evangelism and a District program. We ask that District Superintendents enlist pastors to conduct evangelistic services in areas outside their own charges, and to cooperate generally over the district and conference in evangelistic work.

We recommend that the program committee of the Conference Session of 1941 provide in the conference schedule services of public evangelism.

Respectfully submitted,

HARRY F. HENRY, Chairman

J. W. HAMILTON, Vice Chairman

GEO. A. FOSTER, Secretary

REPORT OF COMMITTEE ON MINISTERIAL TRAINING

Sanford, Florida
June 15th, 1940

The Committee appointed to compose the Board of Ministerial Training met and perfected the organization of the Committee; F. J. Patterson being elected Chairman, and Frank Robinson being elected Registrar.

All accepted supplies were before the Committee and the requirements of the Discipline were met.

The details for the work of the Committee for the ensuing year are under way and the Committee will be adequately prepared to take care of the work assigned and required by the Discipline.

REPORT OF THE FLORIDA CONFERENCE ORGAN BOARD

The Trustees of the Florida Christian Advocate have spent considerable time in studying the several plans submitted, looking forward to a more acceptable and effective Conference publication. All of these plans have merit, and it has not been easy to determine which would be best. After a very careful and detailed study, the Board should like to recommend the following:

First, That the paper be reduced to 8 pages, with a minimum of selected advertising and a maximum of news and promotional information.

Second, That the pastors and Boards furnish the Advocate office with all items of interest that should be published.

Third, That our honored Bishop be requested to be a regular contributor. We feel that his inspirational messages through this medium would be of inestimable value.

Fourth, That the Advocate Campaign be conducted January 15 to March 1 in every church of the Conference. We, herewith, express our very deep appreciation to the District Superintendents for the fine support they have rendered the Advocate during the past years, and respectfully recommend that they give the ADVOCATE consideration in every quarterly Conference.

Fifth, That our quota be continued at 10% of membership as reported to this Conference. We especially commend those churches and pastors who reached their quota during the past year.

We feel the Conference should know that the Board gave a most diligent study to the suggested budget and drastically reduced the proposed budget from \$12,551.76 to \$9,031.75. This is a reduction of more than \$3500.00.

Respectfully submitted,

R. E. WICKER, Chairman

REPORT OF THE BOARD FOR HOSPITALS AND HOMES FOR THE FLORIDA CONFERENCE

1. GOLDEN CROSS WORK

During the year nineteen persons have received medical service or hospitalization, or both, through our work. Of these twelve were preachers or members of preachers families, and seven were lay members of our church. A total sum of \$920 has been paid out for this service. \$58.24 was paid for printing literature, and \$31.25 was paid out for incidental expenses.

We recommend that each district be made a separate unit in the Golden Cross and Hospitalization Work with the following district board: The district superintendent; a district treasurer, to be nominated by the district superintendent and confirmed by the district conference with authority to act as soon as nominated, pending confirmation by the district conference; and a district conference Golden Cross director, to be elected by the district conference, to cooperate with both the district board and the conference board. That this district Board have full authority to make agreements with convenient hospitals and doctors, to approve and aid cases arising within the district, and to pay for such services through its own treasurer.

We recommend that the chairman of the conference board continue to arrange agreements with doctors, surgeons, specialists, and hospitals for the total conference program of work, and furnish the district boards with copies of these agreements for their use.

We recommend that funds raised and spent by the district boards be designated and reported as hospitalization funds.

We recommend that the second Sunday in December be observed as Golden Cross Day, that a collection be taken then by every charge in the Conference for Golden Cross Work, and that these funds be sent to the Conference Treasurer, and be designated and reported as Golden Cross funds. These funds will be used for promotion work, and for sharing in special cases of need arising in, and recommended by the district boards.

2. AS TO HOMES

We recommend that the Trustees of the Preachers' Relief Fund now in charge of our superannuate homes and the Trustees for the Florida Methodist Children's Home continue to operate these interests under their present charters and rules: and that the relations and co-operation between them and this board be worked out by careful study and mutual agreement, under instructions from the Annual Conference.

In view of the fact that there is now some possibility that a home for aged persons may be secured for the Conference, and that a need for Trustees may arise before another Annual Conference session, we nominate for election by the conference the following trustees, that they may have full legal authority to act upon the request of this board: Theo T. Turnbull of Monticello, Rev. George E. Farrar, Rev. J. D. Hurt, John Sheffield of West Palm Beach, and C. O. Little, Jacksonville, Fla.

JOHN E. ELLIS, Chairman

E. N. PHILPOT, Secretary

REPORT OF THE BOARD OF TEMPERANCE

We recognize the excellent work that has been done by the Board of Christian Education of the former Florida Conference. It is the purpose of this Board to build upon the splendid foundations already laid by that Board.

We recommend:

1. That our pastors, in their sermons and otherwise, create an interest in and demand for instruction in our church schools, public schools and institutions of higher learning on the true effects of alcohol and other narcotics on the human body and mind.

2. That our pastors and members of our local churches support our public school officials and teachers in giving instruction in our public schools and institutions of higher learning on the true effects of alcohol and other narcotics on the human body and mind.

3. That no offerings be taken in the local churches for temperance work without the approval of the Conference Board of Temperance or the consent of the pastors.

We submit our budget for the coming year:

Secretarial work	\$150
Travel	350
Stationery and Postage	100
Training Schools and Field Cultivation	150

REPORT OF BIBLE BOARD

To the Bishop and Members of the Florida Annual Conference:

Dear Brethren:—

We, your Bible Society Board, beg to submit the following report:

Christians everywhere believe the Bible is the most astounding Book ever written. But the mere popularity of the Book or the fact that it is God's message to all people in a time of peace and prosperity or in a time of world confusion and uncertainty as we know now, will not assure its effectiveness.

The great need of the age is faith in God and belief in the Bible as the inspired word of God. The world cannot live in peace and disregard the message contained in the Blessed Book.

We believe the best thing to do is to give the Bible to all people, and in every way possible urge them to read and heed its teachings. The words of the Psalmist have been found to be correct and effective where he says: "Thy word is a lamp unto my feet and a light upon my pathway".

Your Board wishes to acknowledge the great work being done by the American Bible Society in cooperation with the different denominations in making it possible for all to secure a copy of the Bible.

Respectfully submitted,

J. F. CLARK, Chairman

REPORT OF BOARD OF LAY ACTIVITIES

The Board of Lay Activities makes report of its activities during the past and its objectives for the coming year.

MID-YEAR MEETING

On the 3rd and 4th of January, last, in Ocala, Florida, was held a conference of the Board of Lay Activities and the Bishop's Cabinet where nearly every district was represented by both lay leaders and the district superintendents. Dr. G. L. Morelock, Secretary to the General Board of Lay Activities, attended this meeting and led the brethren in the discussion of the condition of the church, leading to the adoption of a program of advancement in each district, together with several memorials to the General Conference, which were duly presented and have become the law of the Church.

STEWARDSHIP YEAR

In pursuance to the memorial adopted by our last General Conference designating 1940-41 as "Stewardship Year" (page 297 Gen. Conf. Jour.) this Board and its several members enlist in the church program during this year "to bring a mighty impact of Stewardship Education" with the following objectives: 1. To secure clear thinking, study, and meditation on the principles of Christian Stewardship; 2. to acknowledge the Lordship of Jesus Christ; 3. To make the practice of Christian Stewardship effective in the lives of individual Christians."

CONFERENCE LAY LEADER

The Board, by ballot, have nominated and recommend that this Conference elect F. B. Godfrey of Orlando, Florida, as its Conference Lay Leader for the ensuing year.

ASSOCIATE CONFERENCE LAY LEADERS

The Board, realizing that it was too great a task for Conference Lay Leader by himself to do the work expected of him decided to provide him

with assistance, and to this end have selected Fred B. Noble of Jacksonville, for northern section and another to be selected by the Conference Lay Leader for southern section of Conference as Associate Lay Leaders, to cooperate with and assist him.

LAY LEADERS

This Board deems it wise and recommends that this Conference order that the District and Associate District Lay Leaders shall be elected annually by the District Conference.

Respectfully submitted, this the 14th day of June, 1940.

FRED T. MICKLER, Chairman

C. B. PEELER, Secretary to Board of Lay Activities

PART VI.
MEMOIRS

JOHN LAFAYETTE BOURN

John Lafayette Bourn was born February 3, 1886, in Ware County, Georgia, and died at Bowling Green, Florida, September 24, 1939, being near 54 years old.

His education was in the common schools, and he taught a number of years in his native state.

He was licensed to preach as a young man and supplied some charges, and was admitted to the South Georgia Conference November 29, 1911.

On account of health reasons he located in 1915 and served as Y. M. C. A. Secretary and doing the real work of a Chaplain at Paris Island, S. C.

He was re-admitted into the Florida Annual Conference in 1919 and served the following charges in Florida: Callahan, Boca Grande, Bowling Green, Boynton, Havana, Dunedin and Oakland Park, from where he retired in 1931, moving back to Bowling Green, where he lived until his translation.

He was married to Miss Sadie Wheeler in 1916, to which union were born two children, Helen, who is now a teacher in the public schools of Wauchula, Florida, and Alton, fifteen years of age, who is a school-boy at home. His wife and children survive him.

I knew him intimately for over four years, together constantly, and a more loving and appreciative friend I never knew. He never seemed to tire of my company, whether sick or well, and always tried to look on the bright side of life. Although he was afflicted with a long lingering illness, there was no complaint, always so patient and kind; and if he ever thought there was cause for complaint, he kept it to himself.

He loved to preach, and would for me as long as he was able, and when not able was willing to try. In his last lingering days I'd sing with him, and when his eyes were set and not able to even whisper, his lips would slightly frame the words of hymns we loved so well and had sung together, and when not able to do anything else, he would point upward.

He was an appreciative listener in the congregation and would commend the speaker and show his appreciation by word and look.

We laid flowers on his grave, but they were not more beautiful than the spirit that had departed.

He loved birds, flowers and the great out-of-doors, admired the beauty of the heavens, and would exclaim rapturously over a grand sunset.

He loved to note pictures in the clouds and turn his imagination loose as we would drive together. Or perhaps he would tell of a new sermon he had just made, or was making, and would preach—some day. (Say, if God sends us on preaching trips in Glory, it will just suit him.)

He leaves a brother, Rev. Berry D. Bourn, of our Conference and relatives in Georgia and Florida to miss him, but we all know where to find him.

We laid him to sleep in the Bowling Green Cemetery, along with dozens over whom he had said the last sad rites and to whose loved ones he had offered comfort, for he was pastor here four years before he retired.

"Servant of God, well done!
Labor and sorrow cease;
And Life's long warfare closed at last,
His soul is found in peace.
Soldier of Christ, well done!
Praise by thy new employ;
And while the eternal ages run,
Rest in thy Savior's joy" (Montgomery)

F. H. CHAMPION

Brother F. H. Champion was admitted on trial by the White River Conference (Arkansas) at its session in the autumn of 1909, held at Searcy, Arkansas, Bishop Hendrix, President. He was admitted into full connection by the White River Conference at its session held at Blytheville, Arkansas, in the fall of 1911, at which Bishop McCoy presided. The General Conference held at Oklahoma City in May of 1914 united the White River and Arkansas Conferences, and gave it the name of North Arkansas Conference. By that process F. H. Champion became a member of the North Arkansas Conference.

Brother Champion was transferred to the Florida Conference by Bishop Mouzon and received into the Conference at the session held in Orlando December 7-12, 1921, and appointed to Wildwood. Following his year there he served successively Eighth Avenue and Palmetto Beach, Tampa, Alachua, Newberry, Citra, Melrose, Spring Lake, Seffner, Myakka City, Nocatee, Myakka, and Fenholloway. He was superannuated at the Conference in 1935, and settled at Woodville in the Tallahassee District, in the unoccupied parsonage there, which was furnished by Dr. W. F. Dunkle, assisted by the Missionary Society of Trinity Church, Tallahassee.

Sometime later Brother Champion moved from Woodville to Callahan. There Sister Champion passed away on September 14, 1938.

Following a lingering illness, Brother Champion passed to his eternal reward. Services were conducted in the Callahan Church by the pastor, the Rev. R. E. Hiller, assisted by the District Superintendent, Dr. J. H. Daniel, the Rev. Lauria G. Ray, the Rev. W. F. Dunkle, Jr., the Rev. J. E. Hartsfield, and the writer.

"Now the laborer's task is o'er;
Now the battle day is past;
Now upon the farther shore,
Lands the voyager at last.
Father, in Thy gracious keeping,
Leave we now Thy servant sleeping."

J. M. GROSS

Rev. J. M. Gross, who for more than 63 years had been a Methodist preacher, passed to his reward from his home in Miami, Sunday night, March 31st. The funeral services were held from Trinity Church, where for years he had served as pastor, on Wednesday p. m. at three o'clock.

The services were conducted by Dr. W. F. Dunkle, pastor in Leesburg; Dr. R. Z. Tyler, D. S. of Miami; and Dr. C. A. Vincent, pastor of the Community Church in Miami Shores and a friend of Dr. Gross; and Dr. R. L. Allen, pastor of Trinity Church.

Dr. Gross was born in Tazewell county, Va., February 24, 1855, and was admitted to the Holston Conference at the age of 22. At the age of 24 he transferred to the Old Indian Mission Conference where he served for 35 years. In those years he served as pastor, P. E., and College president in the state of Oklahoma.

He transferred to the Florida Conference in 1913 and served 4 years in Ceala; 4 at First Church, Lakeland; 4 at Trinity, Miami; 2 at Leesburg; and

1 at Live Oak. After his superannuation, he moved to Miami in 1931 where he made his home until the end.

To those who knew him little can be said to add to the luster of his name for he was a ripe scholar, an able preacher, a much-loved pastor and wise counsellor, a choice companion and friend at all times. He gave himself wholeheartedly to the ministry that he so much loved and believed that it was worthy of anyman's best and he was anxious that each of us younger men should STUDY to show ourselves approved.

One of the jewels that I shall keep in the sacred memory of the last hours with him was the fact that I seemed to be the last one that he recognized and certainly the last one to whom he spoke in his last rational moments when he opened his eyes and said to me what I wish to hand to his brethren as his last benediction, "Give My Love to the Brethren". These were his last words and thoughts as far as any of us know.

Mrs. Gross is a member of Trinity Church and much loved and respected by its membership.

R. L. Allen, Pastor Trinity Church

CHARLES ERNEST GUTTERIDGE

Charles Ernest Gutteridge was born in Homefirth, England, in 1865, and at the early age of fifteen he was converted and joined the Wesleyan Methodist Church.

At the age of twenty-one in 1886, he came out to Canada and settled Delorane, Manitoba.

In 1890 he married Clara Keller who was a daughter of one of the fine old pioneer families of that section.

He was a faithful church worker in Delorane for many years, having organized several Sunday Schools near that section, and was the leader of the choir in the Methodist Church for more than twenty years.

He moved to Florida with his family in 1909, settling near Green Cove Springs, in Clay County, but later moving to Crescent City. He studied law and passed the Florida Bar in 1911.

In 1914 he joined the Florida Conference of the Methodist Episcopal Church, South, and for twenty-two years he was obedient to the call of his church.

He loved his work and gave all he had in serving and ministering to others. With unusual devotion he gave himself to serving the youth of his charges.

On account of failing health, he was retired in 1937. On November 7, 1939 he went to his reward.

Beside his widow, Clara Gutteridge, he leaves six children, (Three sons and three daughters) Chas. W. Gutteridge of Fort Lauderdale, C. R. Gutteridge of Bowling Green and Russell R. of Key West; Mrs. E. H. Allen of Orlando, and Mrs. C. B. Jones and Mrs. L. N. Oppenheimer of Tampa; and twelve grand-children.

Brother Gutteridge served the following named charges during his active Ministerial career;

Oviedo-Genoa; Haines City, Avon Park, Fort Lauderdale, Lemon City, Groveland, Punta Gorda, Manatee, Venice—Nokomis.

A faithful servant of his Lord and his church.

HENRY JOHN HAEFLINGER

As pastor and devoted friend, I wish to express to his many friends and former associates in Florida my great appreciation for Rev. Henry John Haefflinger, D. D., who for thirty-seven years was a member of the Florida Conference. On May 16, a few days after returning to High Point, N. C., from Florida where he and Mrs. Haefflinger had been spending the winter, he was stricken on the street with a heart attack and died before he could be taken to the hospital.

Dr. Haefflinger was born in New York September 13, 1873, and after five years, moved with his family to Connecticut. At the age of ten, he went with his family to Florida where he later joined the Conference and spent his ministry. He graduated from Young Harris College in Georgia, and from which institution he received his A. B. degree. He took post-graduate work at Vanderbilt University. In later years Southern College, appreciating his worth, conferred upon him the degree of Doctor of Divinity and made him a member of its Board of Trustees. Dr. Haefflinger was admitted on trial into the Florida Conference in 1903 and was received into full connection in 1905. Among the charges he served were Fort Myers, Bartow, Sarasota, and Plant City. Under his leadership, the beautiful church at Plant City was built. He served for four years as Presiding Elder of the DeLand District.

Dr. Haefflinger was a warm-hearted Christian gentleman, inspiring courage and good cheer wherever he went. He was always brotherly, with never a word of criticism. When others acted in an unChristian spirit, he looked for mitigating circumstances and was the first to forgive. In a quiet and unassuming way, he helped a young preacher to get a start in life. Even after he retired from the active ministry he ministered to the aged and sick. His presence was a blessing and benediction upon all who came in contact with him. He was dearly beloved by all the people in High Point who knew him, and especially by the members of Wesley Memorial Church where he was a regular attendant when in the city.

The Church has lost one of its most saintly servants. The influence of this good man will continue to be a blessing upon all who knew him. He being dead, yet speaketh, and his works will follow him.

Dr. Haefflinger is survived by his wife and his son, C. Fred Haefflinger, who make their home in High Point, N. C.

Embree H. Blackard

C. W. MATHISON

I worked with Brother Mathison something less than two years. During that time, he was a sick man. Yet in every way he could, he showed an eagerness to cooperate and to carry forward the full program of the Church.

An enthusiasm, becoming a man of much younger age, was his and it rarely failed him, even in hours of discouragement. A wide range of information; a genuine devotion to the Church and Cause of the Kingdom; a tireless energy brought to his work, and an almost overwhelming gratitude to those who befriended him. These were some of the conspicuous good qualities of Brother Mathison.

He had been through the years peculiarly blessed in his wife—a companion who understood him, loved him, and never faltered in her devotion to his work. He leaves her lonely but confident in the Grace which has sustained them both through the long years that are gone.

SAMUEL SCOTT

Samuel Scott, son of Samuel and Jane Winters Scott, was born at Sheffield, England, on November 20th, 1845. He was brought up in the Church of England, of which his parents were members. Before he was confirmed however he attended a revival conducted by the Rev. James Coy of America and joined the Free Methodist Church in Wakefield. He had a definite and never to be forgotten conversion experience. He was asked, "Sam, are you converted?" He answered, "I don't know, but I love everybody." He was told that he had a good case. Brother Scott then began holding prayer meetings and as sinners were converted through his earnest prayers and exhortations he was licensed to preach and was known as "the boy preacher". At the time of the American Civil War Brother Scott was serving Christ as a Local Preacher attached to the Wakefield Circuit. On December 6th, 1868, he married Miss Sarah Hardwick of Wakefield in Yorkshire, England, who had likewise been converted and had joined the Methodist Church.

Brother Scott and his wife moved to America in 1870 and settled in Tennessee where he continued to preach though earning his living by his trade. The family moved to Florida in 1882 and Brother Scott developed a successful nursery business at Oklawaha. Bro. Scott was a skilled horticulturalist and made considerable money but never ceased to preach the gospel.

He was admitted on trial into the Florida Annual Conference in 1887 and served the following appointments: Bushnell, Cottonplant, Martel, Micapony, Bronson, Inverness, Lakeland, Fleming Street Church in Key West, Brooksville, Bradenton, Ft. Ogden and Alva.

Brother Scott was a man of fearless courage and intrepid will. He was a successful evangelist, a church builder, the implacable foe of unrighteousness, but above all he was a pastor who shepherded the flock.

At seventy years of age he retired from active service and moved to Brooksville. Here among friends of former days and many new ones he continued to labor for the Master. During his retirement Bro. Scott continued to take an active interest in the Church, teaching a large Bible Class, preaching, attending services and Conferences well into his ninety-third year.

On the fifth of last July, at the advanced age of ninety-three, just three and one-half months after his wife's death, he passed to his heavenly home. At three o'clock on July 7th, 1939, at the First Methodist Church in Brooksville funeral services were conducted by his Pastor, Rev. J. W. Rogers, assisted by Rev. Smith Hardin, Rev. W. A. Myres, and Rev. J. W. Blake.

He is survived by two sons, J. A. Scott of Oklawaha and Clarence Scott of Palmetto and two daughters, Mrs. Alice Pope and Mrs. Laura Thomas of Miami.

ADDYMAN SMITH

The Rev. Addyman Smith, D. D., son of Addyman Smith and Violetta Hudson Smith, was born in Kieghley, Yorkshire, England, October 28, 1863. He was the youngest of nine children—the only one of the family to leave his native England. When a lad of fourteen he was given a Local Preacher's license by the Queen Street Chapel of the Primitive Methodist Church. He was placed on the Plan to go out with his Sunday School teacher. His ability was soon recognized and he was much in demand as a boy preacher.

He was married January 4, 1886, to Margaret Ackroyd. To this union were born four children; Frederick, Harold Annie and Frank. In 1889 he left England for Toronto, Canada, from which, after a short residence, he

moved to Wheeling, West Virginia, and then to Cincinnati, Ohio, where he was for several years connected with the Associated Charities of the City. Through these years he kept his credentials as a Local Preacher and was constantly filling preaching appointments. The call to the regular ministry became more and more insistent. In 1896 he accepted his first regular charge at Rossberg, Ohio.

In 1901 he came to Florida and joined the St. Johns River Conference, in which he spent the majority of his active ministry except for the ten years in which he served in Ohio, and the one year he served in Missouri.

He was honored by Ohio Northern University, which conferred upon him the degree of Doctor of Divinity. While he was serving as Pastor of Asbury Church, Toledo, his wife died. He returned to Florida and was appointed the pastor of the Lake Worth Church.

In Lake Worth, June 24, 1924, he married Orrilla Washburn, who had returned to that city to care for her parents after having served five years under the Women's Foreign Missionary Society as the principal of the Woman's Bible Training School, the only dialect school in the Phillipine Islands. To this second marriage, one child, Elizabeth, was born.

Dr. Smith retired from the active ministry in 1935 and returned to make his home in St. Petersburg, where he had served as the pastor of the First Avenue Methodist Church, 1907-11 and later in the Grace Methodist Church, where he was pastor from 1928 to 1933. He died in St. Petersburg, Florida, January 4, 1940.

Dr. Addyman Smith is survived by his wife, Orrilla Washburn Smith; three sons, Dr. Frederick D. Smith, Acting Dean of Southern Methodist University, Dallas, Texas; Harold Smith and Frank Smith, Realtors in St. Petersburg; two daughters, Annie E. Smith, laboratory technician, Municipal Hospital, Tampa, Florida, and Elizabeth (Beth) Smith, at home; one brother, Charley Smith; one sister, Mrs. Danesbury Hartley, the latter two of Kieghley, England; and three grandchildren, Frank, Jr., Joan and Nancy Smith, all of St. Petersburg.

In the St. Johns River Conference Dr. Smith had held the following pastorates: Orange City, DeLand, Daytona Beach, First Avenue of St. Petersburg, District Superintendent of Eustis District, Lake Worth, Snyder Memorial of Jacksonville, Hastings, Grace Church of St. Petersburg, and Zephyr Hills. In the West Ohio Conference Dr. Smith served the following charges: Milford, Miamisburg, Ada, Mount Victory and Ashbury Church of Toledo. In the Missouri Conference Dr. Smith built the church at the Poplar Bluff's Charge, which was the purpose of his being sent to this appointment.

Dr. Smith's ministry led him into pastorates where the Lord's work demanded not only thoughtful and helpful preaching but also careful and inspirational administration of temporal affairs. Consequently, Dr. Smith carried into his ministry sound business sense and became known for his ability to enlist his congregation in victorious financial endeavor for the Kingdom's interest.

Dr. Smith was a quiet-spoken, gentle man in every way, nevertheless, he was uncompromising and awful in God's battle with sin. In dealing with the sinner he had the tender compassion of the Master, but in facing organized social wickedness he had the Godlike indignation of an Old Testament prophet. He withstood threats of physical harm as a man who refused to be bought or intimidated by men of evil or violence. The forces of evil could well have breathed with relief when this warrior went to be with God.

This man of God was a spiritual father to many of us younger men. I often went to his home to pray with him but found it more appropriate to have him pray for me. Even when death knocked at his door he responded to my request to be permitted to kneel in his family prayer circle to hear his voice lifted in prayer for me during the strenuous days of the erection of our new building. He taught us all to rely on the God who is able.

From him we learned also how a Christian can suffer and maintain the victory of faith. He was always cheerful. To the last he maintained a courteous and gallant attitude toward those who called upon him—this inborn gallantry having been characteristic of his entire life. Through long months of physical trial his faith gripped and held him. In the hours when he lapsed into unconsciousness of the things of earth, one bending low over him could hear him "lining out" the old hymns of the gospel. One of his favorite hymns was, "Oh Sometimes The Shadows Are Deep"—a hymn of petition and victory in Christ.

Dr. E. E. Reynolds, one of his successors in the pastorate of First Avenue Church, often introduced him when he returned to his former congregation, as the one whose deeply spiritual ministry gave the Church the great impetus toward making it a powerful spiritual congregation. A pictorial booklet of the First Avenue Church published during Dr. Schuyler E. Garth's ministry carried under the picture of Dr. Smith this tribute: "Successful Pastor-Preacher 'rightly dividing the word'".

Our First Avenue Methodist Church will always cherish his memory. Under his ministry the foundations were laid for the great Church this congregation has become. Under God he was a builder for Eternity. Along with the host of persons who found salvation under his ministry, we eagerly anticipate the Heavenly reunion with this servant of God.

JAMES WALKER TAYLOR

James Walker Taylor, son of James Taylor and Sarah Arnold Taylor, was born near Temple, Carroll County, Georgia, on February 10, 1865, and died at his home near Ocala, Florida, on May 23, 1940. In April 1894 Brother Taylor and Miss Lena Williams were married. To this union were born three daughters who, with their mother, survive him.

Brother Taylor was a child of the dark days of war and the troublous times that followed the war. For this reason his educational advantages were few, having had not more than eight months of schooling up to his twenty-first year. However, being eager to learn, he entered school at Temple, Georgia, in 1885. The next year he went to school at Carrollton, Georgia, and later entered Reinhardt Normal College, completing the work there in 1891.

When just a youth he was soundly converted and definitely called to preach. For some time he debated the call, not that there was any uncertainty as to the call itself, but because of a physical handicap, (rheumatism having left him a cripple), and his lack of educational preparation. But the denials of nature and prevailing conditions do not control nor limit, necessarily, the forces and endowments of the spiritual realm. Spiritual graces, therefore, are within reach of the common man.

In 1891 Brother Taylor entered the North Georgia Conference along with Stiles Bradley, J. R. Daves, J. E. Dicky, John R. Lewis, and others who were later to become outstanding Methodist leaders. The fact that he was among such well prepared young men added to his misery, but not being able to get a college education, he went on to his work.

His first appointment was Too Nigh, Georgia, in 1892, where he served as junior pastor to Rev. J. N. Sullivan. Although Brother Taylor was pain-

fully conscious of his limitations, he threw himself into the work wholeheartedly. At the close of the first year his labors had counted for nearly one hundred souls won to God.

Other appointments in Georgia were as follows: Douglasville Charge, 1893; Gwinnett Mission, 1894-95; Concord Circuit, 1896-97; Drake Town Mission, 1898; Waco, 1899-1900; Rutledge, 1901-03; Rayburn Circuit, 1904-05; West Wilks Circuit, 1906-09; Greensboro Circuit, 1910; and Athens Circuit, 1911-12.

In 1893 Brother Taylor was ordained deacon by Bishop Haygood and in 1895 was ordained elder by Bishop Keener.

Due to poor health he was transferred to Florida, coming to serve Bushnell in 1912-13. Other appointments served in Florida were: Lemon City, 1914-15; Wildwood, 1916-17; Bristol, 1918; Wildwood, 1919-20. Poor health caused him to ask for a year's rest in 1921. However, he returned to Conference in 1922 and was appointed to Mayo, but not able to serve the full year.

After his retirement in 1923, he supplied Lady Lake two years, Oxford one year, and Panasoffkee & Sumpterville two years and four months. In September, 1939, worn and tired from his labors, it was necessary for him to return to his home, surrendering his work to younger hands.

During these years of service Brother Taylor went quietly and faithfully about the duties and responsibilities that fall to the itinerant's lot. The record of these years will bear testimony to the fact that he was true to all the duties that lie in the proper range of the Methodist pastorate. He has made abundant proof of his ministry in that highest of all testimonials of a preacher's worth—the winning of the lost and strengthening the saved. Besides the fact that he excelled as a soul-winner, the records show that he achieved distinction in his care of church and parsonage properties.

Brother Taylor was a good man, coming from the Christian atmosphere of the home and worthy example of a Godly father. He knew God, the Bible, and the people he served. He was a man of constant prayer, great faith, and deep loyalty. It is not surprising, therefore, that he was a helpful minister. He was a good financier; out of his meager income he lived well and provided for his three daughters better opportunities than had been his in his early years.

Devoted to service during his period of health and strength, sweetly submissive, and brave through faith in his days of illness, triumphant in death, our brother has passed to that rest that remaineth to the people of God.

WILLIAM RHIND WEDDERSPOON

"He was the soul of goodness,
And all our praises of him are like streams
Drawn from a spring, that still rise full, and leave
The part remaining greatest."

—William Shakespeare.

* * *

William Rhind Wedderspoon, son of Robert and Margaret Wedderspoon, was born in Scotland November 8, 1858. After a long and distinguished life on earth of eighty-one years, his soul was set free from his body

December 13, 1939 at the family residence in Coconut Grove, Miami, Florida. He is survived by six children: Mrs. Emily W. Gutteridge and Mrs. Lucy M. Buddington of Miami, Mrs. Florence M. Toombs of Oak Park, Illinois, William Rhind Wedderspoon, Jr., of Coral Gables, Florida, Professor R. G. Wedderspoon of Syracuse, and Arthur F. Wedderspoon of Chicago.

The funeral rites were arranged by the Minister of the Bryan Memorial Church, Miami, where for ten years Dr. Wedderspoon was Minister-Emeritus, and conducted in the Sanctuary at 3:00 P. M., Saturday, December 16th 1939. In the absence of the Pastor, Dr. Glenn C. James officiated in association with Bishop Frederick T. Keeney and with metropolitan Miami ministers in attendance. A complete transcript of the service is available at the Church. Officials of the Church acted as pall-bearers. Interment was made beside Mrs. Wedderspoon in the family crypt at Graceland Memorial Park Mausoleum, Miami.

Dr. Wedderspoon was ordained into the Methodist Ministry as Deacon in 1892 and in 1894 as Elder. He was educated at Taylor University, Upland, Indiana where he received both his Bachelor and Master of Arts degrees in 1898. In 1907 Allegheny College, Meadville, Pennsylvania conferred upon him the Doctor of Divinity degree. He was four times elected a delegate to the General Conference, twice on first ballots. He was a member of the Knight Templars and Scottish Rite Masons at Chicago; a Trustee of the American University; a past President of the Chicago Preacher's Meeting; Minister-Emeritus of the Bryan Memorial Church; before his death was honored by having the Central Clergy Chair of the Bishop William Frasier McDowell Pulpit Memorial at Foundry Church, Washington, D. C., named in his honor; will be memorialized in the Sanctuary Program at the Bryan Memorial Church; and was recipient of multitudinous honors which he accepted with majestic humility. Ian Maclaren's "Beside the Bonnie Briar Bush" was his favorite lecture theme and he was nationally known because of the rare gift of dramatic mimicry associated with its delivery. Eloquent of address and action, stately and impressive in appearance, he was considered by his contemporaries as one of the outstanding preachers of the nation. Under his leadership, several smaller churches were built and three of the great structures of Methodism erected: First Church Asbury Park; Emory Church, Pittsburgh; and the magnificent St. James Church, Chicago. At Foundry Church, Washington, he was Pastor to leaders prominent in national life and influential upon American history. In addition, it is estimated that he raised over half a million dollars for benevolent and missionary work in the Church. Nominated for the episcopacy, he refused to run.

While eulogy is neither necessary nor adequate to the memory of one of God's greatest noblemen, his example of noble living and dying might well be observed with profit to us all. Although his was a long and distinguished career of over fifty years of service in the Christian ministry, he served but few Churches! He was a "preacher who never left" the church he served. A quarter of a century after he was pastor there, the parish paper stated: "The place that Dr. William R. Wedderspoon still holds in the hearts of many 'Foundry' people after so many years have elapsed since he left the pastorate here is really a great tribute to the abiding significance of his ministry." He never asked for a promotion, never moved at his own or his churches' request. Always and to the end he was a gentle and kind, keen and humorous, eloquent of word and thought, distinguished in appearance, saintly in reality. His death, which he looked in the face with level eyes, supported with dignity and composure, was surrounded with beauty. He died as he had lived—with patience and love and submission in his heart. Condolences came from Bishops and beginners in ecclesiastical circles, from leaders in many fields and friends from many faiths, testifying alike that he could "walk with Kings—nor lose the common touch." To young Timothys

he left his dearly treasured counsel, his wealth in books, his spiritual benediction. Four young men from one Church on one morning entered the ministry under his influence! The Rev. James M. Buckley acclaimed it an all-time record. The late Rev. Oscar L. Joseph was another of his "boys."

Dr. Wedderspoon's last attendance at public worship was at the Communion Service where his Minister asked him to pronounce the Communion Benediction. His hands lifted in graceful gesture, hair silvery white, voice mellow with age yet beautifully resonant still, with an electric quality about each slowly spoken word, it was his last spiritual blessing upon us. There could have been no more dramatic, more beautiful, nor appropriate leave-taking. As his custom was, an appreciation for the beauty of worship and a hand of commendation on the Minister's shoulder. Shortly afterwards, before lapsing into a coma, he beckoned for his daughter, predicted his passing, called his children and grandchildren chronologically each by name, paused, and said "Goodbye" tenderly each time. He remarked, "I am so lonely for your mother." With the help of loved ones, he sang two favorite hymns, "Jesus, Lover of My Soul" and "Just As I Am." His Church envelopes were filled out and ready for the next Sunday's services. His house was in order. He had fought a good fight, he had finished his course, he had kept the faith.

"And thus there passed into that Silent Sea
Of timeless Love, the two slim, gleaming ships
The fair craft and her convoy; and we wait
Until we, too, shall find at last our port
Where they have passed, triumphant over death."

—Albert Dale Hagler

MEMORIAL RESOLUTION

WILLIAM RHIND WEDDERSPOON

It is the desire of the Congregation and the Official Board of the Bryan Memorial Church to express to the family our sense of sympathy with them in our mutual loss and bereavement. Our Pastor-Emeritus, the elder spiritual shepherd and counselor of our flock is no longer with us in the flesh. Yet he is and shall always abide with us as a ministering spirit. His body, so long and so beautifully busy at ministering, is at rest. His spirit, while at peace, shall never rest, we feel, from its ministry to us, to others, and to the glory of God.

We feel ourselves richly blessed of God to have been permitted even the brief pastorate of a great minister of such exceptional gifts, abilities and foresight. But we are more grateful for the beauty and benediction of his influence upon us after his retirement from a distinguished career. Since Mrs. Wedderspoon's death, the spirit of his bereavement has constituted a tender and beautiful validation of our Christian faith. His death is but a final climax and beautiful conclusion to a life so full and complete in its service, and so spiritually mature and satisfying in its development, that only in life to come could the course of his life march on. Even for our personal comfort, spiritual profit and social pleasure of his presence, we would not detain him, were that possible. We yield him so gladly to God and the glory of the life to come only because we have learned to love him so deeply. In our sorrow we desire to be Christian. We would think more of what he has gained and less of what we have lost.

Eulogy of his life is neither necessary nor adequate. The accumulated

influence of his rich ministry cannot be reduced to tributes of praise. We have cause to thank God he was permitted to share with us in the sunset years of his life those graces of mind and soul and spirit so dearly achieved in all the years that went before. And, although it is our intent to inscribe his name permanently in places of high honor upon the records and through the memorials of our Church, it is our deeper desire to incarnate in our own lives those virtues of noble living and graces of soul which he so persuasively preached from our pulpit, but more effectively demonstrated in our midst by the quality and artistry of his living and dying.

JAMES EDGAR WILSON

Born October 19, 1860, at Hedgesville, Va.

Born again in the year 1878.

Filled with the Spirit in 1896.

Thus it stands recorded in his own hand on the record page of his Bible. Of these three facts he was equally sure. By these he lived and by them he died.

On January 29, 1940, he died. It was at the close of a day of suffering—the hour when day and night meet—that he passed into light and life eternal at the ripe age of eighty years. He has left us, but we keep the fragrance of his life and the light of his torch rides out the years.

The record of his ministry covers sixty years. Licensed to preach by the Quarterly Conference of Trinity Methodist Church, Baltimore, Maryland, in 1880, he was admitted on trial in the Baltimore Annual Conference in 1881. He served several charges in that conference. For five years he conducted a book business in Baltimore, and for this period was located at his own request. In 1894 he was re-admitted into the Baltimore Conference. In 1901 he was transferred to the Florida Conference and stationed at Riverside, Jacksonville. He arrived in Jacksonville May 3—the day before the great fire.

For thirty-nine years he has served in Florida, holding such churches as: Riverside, Jacksonville; Hyde Park, Tampa; Presiding Elder for the Tallahassee District; pastor at Gainesville. He was for twelve years editor of the Florida Christian Advocate and manager of The Southern Printing Company. For this time he made his home in Lakeland, Florida. His last pastoral charge was Auburndale. In 1927 he took a superannuate relation, but continued his active interest in the program of the Church and the Kingdom of God to the end of his life.

His family life was beautiful. He was twice married. His first marriage was to Miss Lillian Townsend on October 16, 1883. To this union were born four sons: Edgar C., Frank T., Guy H. and H. Bryan Wilson. All survive. Mrs. Wilson died in 1901 at Riverside, Jacksonville, in the first year of their Florida residence.

In 1903, on August 5th, Brother Wilson was married to Miss Mary V. Moore. This happy union continued for thirty-seven years. She was loyal

to him and devoted to his work. Their devotion was truly beautiful as they walked together into the sunset of life. And now, with failing strength and dimming sight, Sister Wilson watches at the bars of sunset in hope of a re-union. Her devotion at the last was complete. Her sorrow is great, but she keeps his memory, while I can almost hear her say with one of our Southern singers:

"I have lost my rose,
Forgotten my song,
But the true heart that loved me
Is mine alway,
The road is west,
The way not long,
I have had my day."

The funeral of Brother Wilson was held in the First Methodist Church, Lakeland, Florida, where he had so long worshipped. A magnificent floral offering covered his casket. His friends filled the church and some forty ministers acted as his last guard of honor.

Dr. J. D. Hurt had charge of the service, assisted by the District Superintendent, The Rev. J. W. Blake, Dr. R. Ira Barnett, and Dr. W. A. Myres. The Rev. R. P. Marshall and Mr. Edgar Tolle rendered a duet: "That Will Be Glory for Me". The choir sang: "Abide With Me".

He rests in Oak Hill Cemetery. Here amid the scenes of his longest and best loved labors, pine and palm pronounce eternal benediction on his memory and keep watch over his dust.

"Going to heaven!—
How dim it sounds!
And yet it will be done
As sure as flocks go home at night
Unto the shepherd's arm!"

—W. A. Myres

JAMES LEONIDAS YEATS

Rev. James Leonidas Yeats was born in the state of Alabama, March 27, 1857, and died in Tampa, Florida, January 23, 1940. He had rounded out nearly eighty-three years of human life, when the tragic accident befell him which cruelly ended his useful career. While crossing the street to visit a friend recently injured in an automobile accident, a hurrying car struck him to the ground. He lived a few hours in much suffering, but his mind was clear and his spirit was sustained with gracious assurance of Divine comfort. The Lord gave a full measure of tender confidence to his dying servant, so that he rejoiced in the sweet peace of heavenly love. He left a parting witness to his deep trust in the grace and goodness of God.

Bro. Yeats was licensed to preach in 1889, joined the Texas Conference in 1893, and came by transfer to the Florida Conference in 1901. Because of failing health he retired from active conference work in December, 1912. On March 27, 1894, he was married to Miss Rosa Bellamy, who survives to mourn his passing. She proved herself a devoted companion and helper in his work, and a wise and tender mother for the six children she bore him.

Following his retirement he moved to Bartow, where I became his first pastor. A deep attachment for himself and for his interesting family came into my heart. I have counted him one of my best beloved minister friends. He moved to Tampa in 1920. He was a man of strong mind, tender in heart,

and of unfailing devotion to the holy faith of Christ. He was an able gospel preacher and was especially gifted in public prayer. Indicating the devotion of his family to him, and their confidence in his deep piety, I am permitted to quote here a few lines from a letter written by one of his sons to a friend: "He preached and lived kindness. At the sound of his voice in sermon, prayer, and song, people were led to believe that true happiness means walking with GOD and loving all mankind. Brave as a lion he feared nothing except doing a wrong thing. Tender and loving as a woman, he hated the evil that sapped at the foundations of human character, and fought it with all of his strength. As he went about his Master's business, lifting up the fallen, comforting the sick and sorrowing, and strengthening the faith of the wavering, the white light of his own pure life made his very presence a benediction."

Besides his bereaved companion, he is survived by his six children: Dwight and Milton L. Yeats and Mrs. Ruth Yeats Zeluff of Tampa, and Mrs. Edyth Yeats Howell and Robert and Roy Yeats of Miami. He was buried from the Tampa Heights Methodist Church by the pastor, Dr. E. Watt Smith, assisted by Doctors M. H. Norton and John W. Branscomb.

MRS. SARAH MARGARET BREHAUT BEERS

Mrs. Sara Margaret Brehaut Beers, widow of the late Rev. John Beers, a much beloved member of the Florida Annual Conference, was born in Murray Harbor, Prince Edward Island, Canada, on October 16th, 1861, and passed to her great reward on August 20th, 1939, at the age of 78 years.

In 1886, she was married to the late Rev. John Beers of Murray Harbor, at the First Presbyterian Church in Jacksonville. To this union four children were born, three of whom survive. They are Mrs. W. C. Norton of Punta Gorda, Mrs. J. R. Schooley of Tampa and Mrs. L. T. Townsend of Jacksonville, and two grandchildren.

During Brother Beers' Active ministry, her untiring efforts and Christian zeal were responsible for much of his success. When he retired from active service, she was a great solace and comfort to him. Brother Beers' sudden death was a shock from which she never fully recovered, and was the beginning of her failing health.

Sister Beers' suffered a paralytic stroke, August 10th, 1939 and never regained consciousness. Her three daughters were at her bedside at her passing. During the past few years she made her home with her daughter and son-in-law, The Rev. and Mrs. W. C. Norton.

Sisters Beers was a sincere Christian, a devoted wife and mother and was an inspiration to all who knew her. She was a ministering angel to those in sorrow and need and she brought cheer to all with whom she came in contact.

Her life was a life of quiet power, as her influence was felt even though she retired from active church work. While at Punta Gorda, she was appointed Communion Steward, and took care of this duty up to the time of her death. She had prepared the Communion service the Sunday before she died.

Her life needs no eulogy. She would be the last to claim it. Her life exemplified high ideals and unselfish Christian character, which are reflected in the lives of her three daughters, all of whom are active workers in the Church.

Sister Beers was buried in Orange Hill Cemetery in Tampa, by the side of her husband, for whose companionship she had grieved for the past ten years.

She is greatly missed and mourned, but while it is "Good night" down here, it is "Good Morning" up there.

A great soul has gone to its Maker.

MRS. STELLA HUNTER BOGGESS

Mrs. Stella Hunter Boggess was born near Madison, N. J., Nov. 14, 1868 and died at Ocala, Florida, Dec. 28th, 1939. She was deeply interested in educational work and after making careful preparation, she entered the teaching profession. For some years she taught in the public schools of Madison, N. J. She was united in marriage to Dr. Olin Boggess on June 29th, 1893. Dr. Henry A. Butts, president of Drew University performing the ceremony. As long as health conditions would permit, she was active in church work and always deeply interested in all organizations that favored cultural development. As college pastor of Southern college, I had an opportunity to appreciate her fine service in the college class room and also her fine service as a Sunday School teacher. Many students, today bear testimony of her contribution to their growth in spiritual values. She was a woman of pleasing personality, interested in the problems of youth and a wise counselor.

She loved the beautiful in nature, in literature, in music but above all the beauty of service. Surviving are her husband, Dr. Olin Boggess, one daughter, Mrs. Bradford White and three grandchildren, Margaret Stella, Elizabeth Rose and William Olin White. One sister, Mrs. W. A. Matthews of Winter Park, Florida, and one brother, Mr. Fred Herring, Brooklyn, N. Y. Funeral services were held in the Ocala Methodist church. Her pastor, Rev. Eugene Rutland in charge, assisted by Rev. H. C. Hardin, District Supt., Rev. E. C. Cook of Reddick and Rev. A. Fred Turner of Orlando. The pallbearers were L. W. Duvall, Dewitt Griffin, W. L. Colbert, E. G. Gardner, W. C. LeMasters and Geo. L. Taylor. Tenderly, the tired body was laid to rest. The beautiful flowers symbolized the deep sympathy and abiding friendship of a large circle of friends. Across the years there comes a voice as clear as the temple bells: "Blessed are the dead that die in the Lord from henceforth; Yea, saith the Spirit, that they may rest from their labors, and their works do follow them".

MRS. HATTIE D. CARPENTER

Mrs. Hattie D. Carpenter was born in Singers Glenn, Va., February 12th, 1859, and died at Tampa, Florida, February 20th, 1940, aged 81 years and 8 months. Funeral services were conducted by Rev. W. M. Poage, assisted by Rev. M. H. Norton, Rev. John Branscomb. Buried in the "Garden of Memories" cemetery at Tampa.

Mrs. Carpenter was educated in the public schools of her native state and at Bridgewater College, Va.

She was married in early life and moved to Florida making her home at Citra where she lived for many years.

She and Rev. W. J. Carpenter were married at Citra, Jan. 30th, 1900. Mrs. Carpenter was a faithful and devoted minister's wife till her passing.

She took special interest in the Woman's Missionary and was for three years a vice president of the Conference Society. She always worked in the local church society. At several places where she lived she was president of the W. C. T. U., and always an active member.

Mrs. Carpenter was a loyal itinerant cheerfully working with her husband in the many difficult and trying tasks which occur in the life of an itinerant ministry.

She died trustingly, quietly and in the faith.

MRS. ALFRED E. DREW

Mrs. Alfred E. Drew was born in Newberry, Vermont, on August 21st, 1848. She died May 5th, 1939. She was educated in Newbury Seminary, which later moved to Montpelier, Vermont, and became Montpelier Seminary. Upon graduation she married the Rev. Alfred E. Drew (Her maiden name was Anna Atwood). They had one child, Kate Anna, who died in 1916.

Mr. Drew served pastorates in Littleton, Bristol, Concord, and Manchester, New Hampshire; Haverhill, Lawrence and New Bedford, Massachusetts and Stafford Springs, Connecticut, and Tarpon Springs and St. Petersburg, Florida. He organized the First Avenue Church in St. Petersburg.

Mrs. Drew was a very active minister's wife, and had a record of the most visits by a pastor's wife. She had been confined to her home for over eight years prior to her death, on account of her frailness and almost total blindness, and the past year and one-half she could not walk. Her mind was very keen and active until the end, and she never complained. She loved people and loved life.

MRS. R. F. HODNETT—A TRIBUTE

Mrs. R. F. Hodnett, nee Miss Wessie Turner, was born in Turin, Georgia, daughter of Rev. John Wesley Turner and his wife, the former Miss Mollie Hunnicutt. Her father was a member of the North Georgia Conference (M. E. Church, South) and her mother was the sister of Drs. W. L. Hunnicutt, James B. Hunnicutt, and John A. Hunnicutt, all of whom, like her, were devoted Methodists, who, in varied relations, served our church with distinction. Mrs. Elam F. Dempsey and Mrs. Hodnett were first cousins. Of Mrs. Hodnett's immediate family, she is survived by her husband, who is the beloved Methodist pastor of Palm Harbor, Florida; by a daughter, Mary, who, with her husband, Mr. James G. Walb, makes her home in Clearwater, Florida; and by another daughter, Lydia Julia, wife of Rev. Elliott S. Ritch, a member of the Florida Conference, now serving the Trilby-Lacoochee charge, the parsonage being at Trilby.

On April 21, 1897, Rev. Robert F. Hodnett and Miss Wessie Turner were happily wed in Turin, Georgia. The radiance of the bridal hour rested upon their united lives through all the following years. She was noted for sweetness of disposition and for an exquisite flower-like beauty. Underneath this dainty and refined personality was a clear and competent mind, a steadfast will, and the solid bed-rock of religious experience and moral stamina. By her husband's side, she walked in all sweet and holy service, a model wife and mother of the Methodist parsonage, than which no higher encomium can be pronounced. Her example shines before her loved ones, 'alluring them to brighter worlds.'

When one so Christly as was she is taken, a great and arid vacancy is left in the lives of her loved ones. When they think of their fearful loss, coherent thought fails in the anguish of the heart. As one of them writes: "When she passed the whole world slipped from under my feet, leaving me, like the first dove out of the ark, with nothing to stand on. Only the eternal exists." In Christ, we know that "the eternal" is God the Everlasting Love, in whose tender keeping are these vanished loves of earth and time.

MRS. AMANDA ELLEN PATTERSON

On the morning of September 27, 1939, Mrs. Amanda Ellen Patterson went home. For eighty-one years she had served faithfully and well here on earth.

Her father was George Washington Patterson; a planter, who, with his wife, Mary Ann Hightower Patterson, lived near Lloyd, Florida. She was converted at the age of seven and joined the old Springfield Church of her community. Her funeral was conducted in Tallahassee, September 28th, by Dr. Paul A. Fletcher, assisted by Rev. Jack E. Anderson and Dr. P. M. Boyd, and her body was laid to rest in the cemetery at Tallahassee.

As the wife of Dr. Ira S. Patterson, an honored retired member of the Florida Conference, she was devoted and true and a real helpmate during the many years of her husband's active ministry.

As a friend, she always, in her associations with others, maintained a fine balance between cordiality and sincerity, which made her both a winning and a helpful friend. She was genuinely interested in all of God's children, and those whose good fortune it was to number her among their friends found in her a fine tonic for their mental and spiritual health. The writer of this brief and inadequate tribute has never forgotten her kindnesses to him and his helpful associations with her when he was a young man aspiring after better and greater things.

As a Methodist, she was informed, intelligent, alert, active and effective. Wherever she served the Church, whether in and from the parsonage as a pastor's wife, or in a district-relationship as wife of the presiding elder, or in a conference office of some sort, she was always vital, aggressive and efficient. She was four years president of the Woman's Parsonage and Home Missionary Society of the Florida Conference which filled such a large place in the life of the churches prior to 1910. For many years she was secretary and treasurer of the Preachers' Wives' Association of the Conference. During her husband's pastorate at Trinity, Tallahassee, she developed a Junior League of 186 members—one hundred eighty-six boys and girls nine, ten, and eleven years of age. Another Junior League of one hundred and thirty members she organized and built up at Springfield Church, Jacksonville, when her husband was presiding elder of the Jacksonville district.

As a Christian, she let her light shine constantly—in her deeds of simple kindness, in her words simply spoken, in the prayers she offered, in her wonderful exhibition of patience and peace and poise through long years of physical suffering, and through the interest she manifested in so many ways in all Kingdom enterprises.

It was only what all who knew her would expect, that she should come down to the end of her earthly journey in peace and spiritual strength. In radiant quietness she said to her pastor just a few hours before she left us to be forever with her Lord, "I am ready to go." To her devoted companion, who had enjoyed and profited by her love and counsel and cooperation in the work of the itinerant ministry for so many years, she said: "I want to go."—and God let her go HOME.

MRS. ELLA DOLING POAGE

Mrs. Ella D. Poage, the wife of Rev. W. M. Poage, was born in Galatin, Missouri, March 1, 1857. Her parents, James M. and Virginia Doling, moved to Springfield, Missouri, when she was a small child. In the beautiful city of the Ozark mountains she grew up to a beautiful womanhood. She was educated in the public schools and in her 17th year became a member of the Methodist Church. She was ever active in Christian work. She taught a class of boys in the Sabbath school and led them to Christ. She was also for some years organist for St. Paul's Church. Her devotion to God and the Church became the habit of her long life.

On Thanksgiving day, November 25, 1880 she was married to Rev. W. M. Poage who had been her pastor for two years. She gave up a home of wealth to become the companion and helper of an itinerant Methodist preacher and no wife was ever more devoted and loyal to her husband and the church. She loved the church because she loved God and the work of building the kingdom of God. She was a loving and faithful wife and mother. She never shared some of the hardships of others in more difficult fields of labor. But like every preacher's wife she had her disappointments and hardships. But in all of her pilgrimage through life she never regretted her choice but ever felt that the Lord had been good to her.

When her husband in 1885 was transferred to the Florida Conference from the Southwest Missouri Conference, she came gladly, hoping that a warmer climate would prolong her life on earth. For fifty-nine years of loving companionship, fifty-four of which were enjoyed in the far southland of sunny Florida.

Her life was not without sorrow. Two of her children had passed on to be with God. Two still abide: Mrs. May P. Smith and Will B. Poage, both living in Tampa, Fla.

Since her husband's retirement from active work in the ministry they had made their home in Tampa.

In her 82nd year her health failed and becoming frail, suffering a fall and severe injury, she felt she would never be well, and longed to go home. She said again and again, "My work is finished." "I am not afraid to die." "To die will be gain." "It will be such a joy to be with Jesus."

She endured her intense suffering for six weeks without a murmur. She truly fell asleep in Jesus to await the resurrection day. Her faith in God and in Jesus Christ sustained her amid all her suffering. She was "More than conqueror over the last enemy death through Jesus Christ." Life in Christ here is the beginning of life eternal, "Because I live ye shall live also."

MRS. MARY ROSANNAH ROBERTS

Mrs. Mary Rosannah Roberts, widow of the late Rev. William H. F. Roberts, of the Florida Conference, passed away on December 27, at her home in Lake City, Fla. Funeral services were conducted from the home by her pastor, Rev. J. L. Hunter, who was assisted by Rev. E. F. Montgomery of the local Presbyterian church. Interment was in Bethel Cemetery near Lake City.

For thirty years she was active with her husband in the itinerant ministry of the conference, serving with him in a number of the Florida churches. Since her husband's death in 1911, she has made her home in Lake City, Florida.

Mrs. Robarts was the daughter of Mary and Nathan Gunnin. She was born in Pickens, S. C. With her parents, she came to Florida in 1859 and lived near Mikesville in Columbia County. She united with the Tustenuggee Church at seventeen years of age. On Sept. 29, 1880, she was married to the Rev. William H. F. Robarts, who at that time was pastor in the Florida Conference.

To this union were born seven children, five of whom survive her: Mrs. Annie R. Mattox, Coral Gables, Fla.; Dr. J. B. Robarts, Louisville, Ky.; Miss Mary Robarts, Joe Robarts and George Robarts, of Lake City, Fla.

One of God's very own has fallen asleep—a great saint of the Lord, who served Him faithfully for almost a century. She was 86 years old at the time of her going. All who knew this dear mother in Israel loved her. May her beautiful life and sweet spirit live for a long time to come in the minds and hearts of those of us who had the rich pleasure of coming in contact with her.

MRS. MARY FRANCES SISTRUNK

Mrs. Mary Frances Sistrunk was born June 9, 1857 in Fulton County, near Atlanta, Ga., and left for her immortal home from Ft. Myers, Fla., Dec. 31, 1939.

In her young womanhood she was married to T. H. Sistrunk, who later answered the call to the ministry, and was admitted into the Florida Annual Conference in 1890, but he must have done supply work before he was admitted for they were our pastor's wife and pastor in 1889 on the Hernando County mission, and under his preaching and ministry I gave my heart to the Lord, and joined the Church, making an acquaintance and friendship, lasting to the end of both their lives, and I hope will be renewed in heaven.

She joined the Methodist church and loved and clung to it all her life. Over the hills and swamps of Florida she cheerfully went, wherever they were sent.

Their last Charge was White Springs from which he was called to the "Upper Room", Dec. 17, 1917. I conducted his funeral there, but interment was at Perry, Ga., where his relatives live, and where they carried her and laid her body down to rest, after her funeral at Punta Gorda, Fla.

They had served Punta Gorda some years prior to his death, so after a while she returned there and made that her home for twenty-one years.

She loved her lodge and her church, but the church dearer, and for years saw that it was supplied with flowers.

She left no earthly kindred to mourn her going, but a large number of friends who loved her well.

Her funeral was well attended as she was held in high esteem by many. Rev. Smith Hardin, District Supt., Clarence Norton, her pastor, and the writer conducted the funeral. Mrs. D. N. O'Queen accompanied the body to Perry, Ga., where she peacefully sleeps, awaiting the Master's final call.

O what are all our sufferings here, If Lord, Thou count us meet,

With that enraptured host to appear, and worship at thy feet!

Give joy or grief, give ease or pain, take life or friends away,

But let us find them all again, in that eternal day.

Her friend of fifty years,

J. F. Clark

MEMORIAL ADDRESS BY JOHN W. BRANSCOMB

John Wesley's commentary on the way in which the Methodist people of his day lived is an eloquent word . . . he said, "Our people die well." There are many who in death repudiate the faith by which they have lived by manifesting a fear of the last enemy, causing those who see them pass to wonder as to the adequacy and sufficiency of the Christian faith in the time of life's supreme emergency. The way in which we meet death reflects on the way in which we have lived. With great confidence we can still blend our voices with Wesley in affirming, "Our people die well." During the past year several of our dear brothers and sisters have answered the divine summons to move out of our earthly ranks and report for assignment in the heavenly Kingdom. They had lived well; they died well. Such a memorial service as this impresses me as being the most Christian manner in which to commemorate the lives of our dear comrades. Assembled here in the session of the annual conference of which they were a vital part and to which they rendered such devoted and faithful service, unmarred by any of the sorrowful trappings which are so suggestive of a paganistic conception of death, we gratefully and reverently pause to memorialize their lives and to express our joy over their victory over death. John, the Revelator, affords us a great word, "And I heard a voice from heaven, saying, 'Write, Blessed are the dead which die in the Lord from henceforth, for they shall rest from their labors and their works do follow them.'"

Three benedictions which accrue to our blessed dead who died in the Lord are set forth in this great passage which we have oft quoted to the comfort of our people; rest from their labors, and a consciousness of the permanency of their labors on earth and the expectancy of great tasks to do in the Kingdom of the Father. The earthly labors of Methodist preachers are tremendous when they measure up to God's expectations of them and execute the duties and responsibilities of their divine office, and when at last the door is opened and the laborer is admitted into the Father's House, the Great Master affords weary shoulders an opportunity for rest, and the tired feet that have walked the highways of the world in continuous service are given a chance to be cooled in the friendly waters of heaven. Rudyard Kipling was not elevated to the poet laureateship of England, but he was qualified to my way of thinking, and in one of his poems he has suggested what I am trying to say . . . "When earth's last picture is painted and the tubes are twisted and dried, When the oldest color has faded and the youngest critic has died, We shall rest and faith we shall need it, Lie down for an aeon or two, Till the Master of all good workmen Shall set us to work anew." There you have two of the benedictions graphically depicted in poetic thought. Rest for an aeon or two, new works for our hands to do. John, the Revelator says, "Those in the white robes shall rest under the heavenly altars for a season and then go forth to serve day and night." Thank God for anticipation of heavenly rest, but how utterly dull and listless heaven would be without being blessed with burdens, tasks to do. Some Methodist preachers I have known have been the most assiduous workers within the circle of my acquaintance, and the queens of our parsonages are true daughters of Susannah Wesley, working indefatigably along side their husbands, doing double duty, making a home and helping to build the church. When the men of the itineracy and the women who are as truly consecrated to the ministry as their husbands, come at last to the journey's end, most of them whom it has been my privilege to know are worthy of the epitaph of John, "Blessed are the dead which die in the Lord, for they shall rest from their labors." But it is not eternal rest, only rest that is creative and restorative, preparing them for tomorrow's work.

Jesus Christ had a long term faith in his kingdom plan. As he hung on Calvary the surface evidence was against the perpetuation of his dream and hanging there alone, save for a consciousness of the presence of God, it

seemed to be futile to expect his works to live after him. But after passing of the centuries it is marvelously apparent that his works do follow him, and countless millions have entered into the fruits of his labors and sacrifices. We, of the Florida Conference claim that we are about 250 strong in our ministerial body, but we cannot limit our great brotherhood to so small a number. We are compassed about by a great cloud of witnesses, men and women of the yesteryears who poured their lives, their all into the service of God in building a Methodism on this peninsula which is a mighty fortress for God today. As we go in and out and up and down this conference of ours, serving churches, large and small, living in comfortable parsonages, preaching to large and intelligent congregations, let us be grateful enough to remember that we have largely been the beneficiaries of the labors and struggles of an invisible part of our conference brotherhood who have joined the caravan that moves up to the Father's House. When we consider the great college at Lakeland, the beneficent home at Enterprise which puts mothering arms about 150 children, the large number of beautiful edifices and temples of worship, the adequate and useful educational buildings, and scores of other institutions and movements, we are beholding that which is a living memorial to scores of preachers and their wives who have built them in God's name and for the spiritual uplift of the people. In recent months several more of our faithful comrades have died in the Lord and entered into their rest, but their works do follow them, continuing in the world as witnesses for Christ. They, too, have made large contributions to the development and strength of our beloved conference. One of the great miracles of Christian grace is the power that God has to magnify a man's life and help him to live hundreds of lives thru the good work he does in the world and the righteous influence he creates about him as he moves along the pilgrimage. Carl Sandburg has written a poem entitled "If I had a million lives to live." Physically, that is impossible, but spiritually it not only is possible but is being enacted over and over again. I cite you some of our saintly brethren who proclaimed the gospel up and down Florida for decades. Their spirits are incarnated in the lives of others and in a mystical sense they are living thousands of lives, their works are permanent. Many years ago a woman died in London who enjoyed the peculiar reputation of being the best dressed woman in Europe. She had a thousand dresses when she died, but only one life. Shortly after her death an old man died who possessed only one suit, a blue serge with a red collar. But tho' Gen. William Booth had only one suit, he is living a million lives thru the Salvation Army that extends his influence and his works.

What a great thing it is, my Brethren, to belong to this great Brotherhood of Methodist preachers. There is power in belonging. Our lives take on meaning according to the values to which we belong. St. Paul declared "All are yours and you are Christ's and Christ is God's." United into great and lasting brotherhood, belonging to each other, and to God, we are able to work in a way that creates an atmosphere that is enduring and lasting. Charles Clayton Morrison wrote of Dr. S. Parkes Cadman at his death, "He created an atmosphere about him that made it easy for others to be noble." Thus do the works of Cadman follow him, and live after him. St. Paul dead these 2000 years, and yet Bishop Moore said that in the heart of the Belgian Congo he found a native boy named Paul. Ask Paul how he got like that and you can't imagine him saying by his own power but rather in the great words of the song, "I am thine O Lord, I have heard thy voice." My brethren, we need each other in this great work, we are dependent on one another, each of us finding completion because of the whole brotherhood. As we surrender our lives to the family of God, we are able to live effectively here and the works we do here follow us.

I cannot imagine a heaven of endless rest and ease. If that's what heaven is like I know a lot of Methodist preachers who are going to be much

out of place. Service and activity characterized their lives on the earth and heaven must be a place of work, activity, growth and achievement, if these are to find completion for their lives. When Vicfor Hugo was an old man he wrote, "I feel in myself the future life. Winter is on my head but eternal spring is in my heart. The nearer I approach the end the plainer I hear around me the immortal symphonies of the worlds which invite me. It is marvelous, yet simple. For half a century I have been writing my thoughts in prose and verse, history, philosophy, drama, romance tradition, satire, ode and song, I have tried all, but I feel that I have not said the thousandth part of what is in me. When I go down to the grave I can say, like so many others, 'I have finished my day's work,' but I cannot say 'I have finished my life.' My day's work will begin again the next morning'." Robert Louis Stevenson died with a thousand stories still locked up in his brain. He'll have work to do in heaven. Beethoven died with a million symphonies still in his soul. He'll need a heavenly symphony in which to complete his work. Grand old Dr. W. J. Young of the Candler School of Theology Faculty said, "I have taught most of my life, when I get to heaven I want the Lord to assign me to the class room on the shores of eternity to instruct those who died young or came into the kingdom late. A noble and worthy ambition, Dr. Young. You are there now. I am sure the Lord has assigned you. Our beloved and blessed brothers and sisters who have moved on to the upper room during the past year have not ceased from their labors. They worked faithfully here and have made an account of their stewardship there. The Father has set them to work in His Kingdom. As Methodist preachers come up to the annual conference each year there is an inevitable question which is always asked. Are the preachers blameless in their character. The roll is called and in each instance when a brother's name is presented someone answers "Nothing against him." Thus each preacher is sent to his charge with the stamp of approval of the conference upon him as a worthy man. Good Father, as you call the roll of our honored members who have come here before the bar of your conference during this year, their brethren of the church militant on the earth are pleased to answer, "Nothing against them." And it affords us joy and pleasure to think of you saying to them, "Well done, good and faithful servants. I now appoint you to your charge in the New Jerusalem."

Paul hath said "Eye hath not seen, ear hath not heard, nor hath it been revealed unto the heart what the Lord hath prepared for them that love him." What a joyous hope is ours. A land where we shall rest from our labors, where we will be conscious of the permanency of our labors on earth, and where we shall be assigned to eternal tasks. In 1931, when the Ecumenical Conference of Methodism was being held in Atlanta, Ga., Bishop Arthur Moore preached on Sunday night to a great concourse of people gathered in the grand old Wesley Memorial Church. His text was from First John, "Behold what manner of love the father hath bestowed upon us that we should be called the Sons of God and it doth not yet appear what we shall be but we know that when he doth appear we shall be like him for we shall see him as he is." How marvelously real he made heaven seem to us that blessed night. I was sitting quite near an old lady whose head was covered with the snows of many winters. She listened intently as the bishop described with great vividness the ineffable glories of heaven. She, who was so near to becoming a citizen of heaven, stood it as long as she could and finally broke out in the meeting with tears streaming down her cheeks and shouted, "Isn't it wonderful?" And Bishop Moore paused in his sermon and looking down to where she was sitting said, "I don't blame you, Sister, it sure is wonderful." "And there came a voice from heaven saying, write, blessed are the dead who die in the Lord from henceforth, for they shall rest from their labors and their works do follow them."

Fellowship Fund.—L. G. Ray read the report of the Committee on the Fellowship Fund, which was adopted, as follows:

“As directed by the June Annual Conference, the standing Committee of the Board of Mission on the Fellowship Fund has prepared the following set of Rules and Regulations.

Pleases note that section 4 calls for the election of a district treasurer.

It is encouraging to find that the approximate askings on this fund will be about \$4,200, whereas the expected income is about \$4,500. Prompt-

ness and faithfulness of pledgers will apparently enable us to reach the set minimum for regular preachers this year.

It is a source of regret that due to insufficient income we can do nothing for supply pastors this year.

Rules and Regulations for the Operation and Administration of the Florida Conference Fellowship Fund (Called the Sustentation Fund at Annual Conference, 1939) approved by the Board of Missions in Lakeland, July 13, 1939: To Be Finally Approved by the Fall Meeting of the Florida Annual Conference.

1. Any pastoral charge paying less than \$900 to a single pastor, or less than \$1,200 to married pastors (supplies excepted) may make its pastor eligible to receive aid from the Florida Conference Fellowship Fund by first making a reasonably proportionate increase in its pastor's salary provided that while the ideal is that of matching dollars, aid may still be given to pastors whose charges do not increase the salary, if the district committee recommends and the Board of Missions Standing Committee on Ministerial Support agrees. Increases or decreases in salary shall be determined on the basis of the minutes of the last annual conference.

2. Each District Superintendent shall report to the standing committee not later than district conference, the names of those charges paying sub-minimum salaries, stating in each case to what extent the charge will cooperate in increasing their pastor's salary. This report shall also contain recommendations from the district committee as to the amounts the Fellowship Fund should allocate to each charge.

3. When a charge proposes to reduce the preacher's salary, it shall first consult the district committee and through them the standing committee: otherwise its preachers shall not be eligible for support, unless the district committee so recommends and the standing committee agrees.

4. Each district shall elect a treasurer by vote of its contributing members, who shall be the third member of the district committee, serving with the district superintendent, and the district missionary secretary. Payments shall be made to the district treasurer who shall use a provided official receipt form in each case. The district treasurer shall remit quarterly to the general treasurer, C. H. Summers, Sebastian, Florida, giving a list of contributors with each report.

Funds will be disbursed only by the standing committee, by checks signed by the general treasurer and countersigned by the chairman of the standing committee.

5. Aid to approved pastors shall be sent on or near December 15 so far as possible: with the final amount payable at annual conference.

6. Each district committee shall be responsible for the promotion of the Fellowship Fund in their district, urging the pastors to participate and to be prompt in making payments.

7. The Fellowship Fund shall send a copy of its itemized receipts and disbursements to each participating member at the end of each year's business, this report to contain the name of each contributor and the amount paid by him. A brief compiled financial report shall be published in the annual conference Minutes.

8. Any necessary expense of administering the Fund such as postage, stationery, travel, etc., shall be approved by the standing committee and paid by the Fund.

9. There shall be no consideration of emergency appeals; all funds shall go to make up deficits in sub-minimum salaries received.

10. The standing committee in cooperation with the District Superintendent shall furnish speakers for all district conference and district mission-

ary institutes to promote the Fellowship Fund and shall give publicity to the Fund through necessary letters, and through articles in the Florida Christian Advocate.

The Board of Missions Standing Committee on Ministerial Support: Laurie G. Ray, Allen W. Moore, A. K. Hawkins, H. W. Blackburn, George A. Foster."

Report of Clerical Ballot No. 8.—The report of Ballot No. 8 revealed the election of John W. Branscomb as a delegate to the Jurisdictional Conference. Ballot No. 9 was cast for four alternate delegates.

Bishop Kern Presides.—Bishop Kern returned to the Conference and took the chair.

Report of Lay Ballot No. 8.—Mrs. J. T. Feaster was declared elected an alternate lay delegate to the Jurisdictional Conference, thus completing the election of Lay delegates and alternates.

C. K. Vliet.—C. K. Vliet, Secretary of the Commission on Benevolences, addressed the Conference regarding the benevolences.

Concerning Continuance of Boards, etc.—On motion of Felix R. Hill, Jr., duly seconded, the Conference voted that all Boards, Committees, Commissions, Trusteeships, Treasurers, etc., of the uniting Conferences be continued in the United Florida Conference until otherwise provided.

District Conferences.—Upon motion of W. F. Dunkle, duly seconded, the Conference voted that the Rule with respect to District Conferences obtain in all Districts excepting the St. Johns River and the East Coast Districts.

Minutes of Adjourned Session.—On motion of the Secretary, duly seconded, the Conference voted that the Minutes of this Adjourned Session, together with the minutes of the last session of the St. Johns River Conference, and the last session of the Florida Mission of the Methodist Protestant Church, be incorporated as supplements in the Journal of the Florida Conference following its next regular session.

Conference Relations.—At the request of M. L. Smith, the Conference voted to refer his name to the Committee on Conference Relations for the Superannuate relation.

PRESIDENT'S REPORT

to the

FLORIDA MISSION ANNUAL CONFERENCE OF THE METHODIST
PROTESTANT CHURCH

My Dearly Beloved Brethren:

Greetings in the name of our Lord and Master, Jesus Christ! We are today assembled for the purpose of holding the Fifty-Third, and doubtless the last session of our Conference. However, we have cause for rejoicing. While this is the end of our Conference it is not "Closing up shop", only, as a successful business firm would move out of crowded quarters into larger and more commodious in order to enjoy greater opportunity. Doubtless our United Methodism will prove to be just that: "A Greater Opportunity."

CONFERENCE DATES

1. For the want of proper information, the Standing District Committee, and myself deemed it expedient to call our Conference to meet at Tampa, June 9, 1939, for the purpose of concluding our Conference business and thus uniting at the same time of the other two denominations. However, after receiving urgent word from Rev. G. W. Haddaway, Executive Secretary of Board of Mission, requesting that we postpone the Conference until a later date, the request was complied with and the Conference was postponed. Some time later I was notified by Bishop James H. Straughn that by an enabling act of the Uniting Conference of Kansas City, Mo., he was authorized to fix the date of Annual Conferences. He first set Nov. 14, for our Conference, he later ordered it changed to Nov. 8, in order to finish the work of our Conference and join the adjourned session of the United Methodist Church at Lakeland, Fla., Nov. 9th and 10th.

OFFICIAL ACTS

1. At a meeting of the Quarterly Conference of the New Life Church Nov. 11, 1938, I appointed Rev. J. A. Boyd to pastor three of the Churches: Shaw, Lake Bird and Pine Level of the New Life Circuit

2. I appointed Rev. C. C. Martin to serve New Life Church of the same circuit.

3. June 10, 1939, in the interest of the work and by agreement, I released Rev. J. A. Boyd from the appointment made Nov. 11, 1938, to accept work under the appointment of the Florida Methodist Conference through Bishop Paul B. Kern.

4. On the same date I appointed Rev. C. C. Martin to serve the entire New Life Circuit for the remainder of the Conference year.

5. June the first, 1939, I recognized the vacancy of the Goss Memorial Pastorate created by the return of Rev. Allan C. Watson, to Indiana Conference. I appointed Rev. J. T. Dingley, temporarily, to supply the pulpit for the morning services.

6. October 1st, I released J. T. Dingley from Trinity, by agreement to serve the Goss Memorial charge; appointing H. J. Abbott as lay-preacher, to hold services at Trinity until conference.

THE PRESIDENT'S ITINERARY

I have visited every charge but one during the year, and held ten Quarterly Conferences. I have preached a number of times during my visits to the charges. I have traveled over three thousand miles in the interest of the work.

These duties might have been performed better but for other responsibilities such as the daily delivery of thirty mile Rural Route, the Pastoral duties of my own charge; and also acting Dean of our Leadership Training School. I do not recite these things with a spirit of boasting, but rather, with the hope, that, should any feel that I have seemed negligent in respect to my duties as President they might have regard for the handicaps under which I have tried to serve.

STATE OF THE CHURCH

Due to the present process of our merging into the new church, no extension projects have been started. Some minor improvements have been

made. Shaw Church has been painted and Orlo Vista Church is now in process of being painted, and has also received a large 26-inch fan valued at \$72.50.

SPIRITUAL GROWTH

Most of our churches have experienced a measure of growth. Several fruitful revivals have been held with good results. Bro. Martin of the New Life circuit reports a number of additions to his churches. Goss Memorial and Orlo Vista have also enjoyed an increase in membership.

APPRECIATION YEAR FUND AND ANNUAL CONFERENCE BUDGET

A number of the churches have already paid in full their assessments and will be awarded certificates provided for same.

FINALLY BRETHREN

We doubtless have now come to the finish of our work as a Methodist Protestant Conference. We have had many struggles and problems, many joys and times of fellowship. As we write the closing chapter of our labors as a conference, may we begin the first chapter of our United Methodism with a new vision, Faith, loyalty, and devotion that we may enhance our usefulness in accomplishing the aims of Christ Jesus for the Church. Brethren, I have enjoyed the fellowship of each of you and thank you for the opportunity of serving you in a small way. May the riches of His grace be yours, and your labor for Him fruitful.

REPORT OF LEADERSHIP TRAINING SCHOOL

The Leadership Training School was held at the Orlo Vista Church, commencing on the night of June 12th, and continuing through till Friday night.

A very fine school was held, with a good attendance and much interest shown in the studies. Four First Series Courses were taken up, and a number of Credits given.

In absence of Rev. Watson, Dean of the School, Rev. W. M. Irwin was

appointed by Dr. F. L. Gibbs, as acting Dean. We are going forward with plans for another school following the advice from Dr. Gibbs, that we work along with other Methodist Schools here in this State.

This is the Second School which has been held in Florida, and from the marked interest of the students, we feel this work must be carried on with greater enthusiasm, and we feel this year will be one of better co-operation between all concerned.

MEMORIAL

On the night of December 25th, 1938, at the Little and Griffin Hospital, Valdosta, Georgia, after a joyous Christmas visit with relatives, Sister Minnie E. Boyd, wife of Rev. J. A. Boyd, quietly passed to her eternal reward. She had been in ill health for a number of years. In spite of that, however, she was always a pleasure to her associates.

For many years she had been a devout Christian mother, and the very helpful wife of our Pastor of New Life Circuit. She had traveled with him over the circuit many times spreading cheery sunshine.

She was the mother of nine children, to whom no one could be more devoted. We shall truly miss her and may God bless her memory.

FLORIDA SOUTHERN COLLEGE

Co-Educational — Founded 1885

Lakeland, Florida

Florida Southern College is the only one in the United States which has a citrus grove for its campus. This 62-acre tract extends along a slope overlooking Lake Hollingsworth and is well within the municipal limits of Lakeland.

With an enrollment of over 900 students and a staff of 72 faculty members, the school offers courses in 33 departments of instruction leading to A.B. and B.S. degrees and L.I. certificates.

The institution is a member of the Southern Association of Colleges and Secondary Schools, an affiliation that guarantees full recognition of credits by standard institutions of learning everywhere.

Eighty-five percent of the student body participates in the broad intramural program. Each student has a wide range of other extra-curricular activities to supplement his class work. Dramatics, student publications, debating, glee club, orchestra and mixed chorus are just a few of them. Numerous clubs are active in other fields of interest. Several fraternities and sororities, as well as campus groups, add to the social life.

Drawing students from over 26 states and 12 church denominations, the college offers students stimulation and unlimited pleasure from the friendships made on the campus.
